

Economic Development Subcommittee  
January 4, 2017  
Minutes

**Members present:** Andy Bissanti, Bob Valle, Judith Pond Pfeffer, Matt Kelly, Peter Padula.

**Also in attendance:** Town Administrator Jeffrey Nutting, Deputy Town Administrator Jamie Hellen, Planning Director Bryan Taberner.

**The meeting was called to order at 6:30 PM.**

The Town Administrator requested the committee's support of a zoning change that would move "storage facilities" from the CII to Industrial. Currently we have two storage facilities both in the industrial zone but they are not currently allowed in the industrial zone.

Currently they are only allowed in CII. Having storage in CII is not the highest and best use.

The Town Administrator points on the three green areas on the map to show the group where CII is and he stated it makes more sense to move the use to industrial. The chair concurred with the TA and suggested it be recommended to the full council.

**Motioned by Judith Pond Pfeffer, Second by Bob Valle to recommend the change. Vote 4-0**

**Meeting Adjourned at 6:40 PM**
