DIRECTOR'S MESSAGE

Well, that happened. What a crazy and unfortunate February we had, but we can't thank you for the outpouring of support and understanding. This newsletter was planned as if we are fully back open, but unfortunately for at least the first couple of weeks, it may be a week to week basis, so keep looking at our website, social media, and listening to our robocalls for updates.

With that being said, when we do re-open the Senior Center to its full capacity, you may notice a few changes, specifically when it comes to our staffing. You'll still see my shining face, but sadly won't be seeing Christina as she has accepted an exciting opportunity in Foxboro. We have hired a new Deputy Director, as well as a new Social Services Coordinator, and have transitioned a well known staff into our Program/ Volunteer Coordinator role. I have every faith that you will all welcome them with open arms, as you did to me only last year. And, I hope you stop by our meet and greet on March 21st to say hi! This year has only begun, and I can't wait to see what new ideas and programs my fantastic Senior Center team plans for us all to be engaged, active, social, and most important, FUN!

IRISH BLESSINGS

May your coffee be strong, and your Monday be short

May the good Lord take a liking to you, but not too soon.

As you slide down the banister of life, may the splinters never point in the wrong direction!

May those that love us, love us; and those that don't love us, may God turn their hearts; If her can't turn their hears, may he turn their ankles, so we'll know them by their limping!

May good luck be with you wherever you go, and your blessings outnumber the Shamrocks that grow.

A good friend is like a four leaf clover, hard to find and lucky to have!

Goodbye Message From Christina

I wanted to take this opportunity to first express my sincere appreciation for everyone at the Franklin Senior Center. It has been an amazing experience, I have learned so much, and met so many incredible people. It has been an honor to get to know everyone, and I appreciate you all welcoming me into your lives. It is with a heavy heart that I let you all know that I have taken a position with another town. This position will allow me to use my new and improved License in Independent Clinical Social Work. This transition is bittersweet, especially in the midst of our building being closed. I so wanted to say goodbye to everyone in person, but please know how much you have all impacted me. I have never seen such a vibrant community with such caring people. I know I am leaving you all in good hands and have no doubt the Senior Center will remain an amazing and vibrant space with the best members around!

Warmest regards,

Christina LaRose,

Deputy Director
