Conservation Commission

Town of Franklin Conservation Commission

Pursuant to Massachusetts General Laws Ch. 131, s.40 (The Wetlands Protection Act) Franklin Conservation Commission will hold a Hybrid Public Hearing on Thursday, February 23, 2023 at 7:01 PM on a Notice of Intent filed by Elyse Tripp, of BETA Group, Inc. on behalf of the Franklin Department of Public Works. The project proposes roadway improvements along Grove Street as part of the second phase of a two-phase project to improve use by motorists, pedestrians, and bicyclists, including upgrades to stormwater management infrastructure, with work taking place within the 100-foot Buffer Zone to Bordering Vegetated Wetlands (BVW) and the 200-foot Buffer Zone to Perennial Streams.

The Project is located along Grove Street from its intersection with Tobacco Road to its intersection with Kenwood Circle, in the Rural Residential 1 and Industrial Zones.

The hearing will provide an open forum for the discussion. This meeting will be done remotely via the "ZOOM" platform and "In-person" in the Council Chambers of the Municipal Building, 355 East Central Street. Residents can visit the Town Website (Franklinma.gov) and click on the Town Calendar for up to date information on how to access the meeting.

All records and files for this project can be viewed at the Conservation Office located on the first floor of the Franklin Municipal Building.

Any person or organization so wishing will be afforded an opportunity to be heard. The hearing location is accessible to persons with physical disabilities. If you require a translator or accommodations for a hearing impairment, contact the Conservation Department at the Municipal Building or by calling (508) 520-4929.
