Conservation Commission

Town of Franklin Conservation Commission

Pursuant to Massachusetts General Laws Ch. 131, s.40 (The Wetlands Protection Act) Franklin Conservation Commission will hold a Hybrid Public Hearing on Thursday, July 21, 2022 at 7:02 PM on a Notice of Intent filed by Amy Anderson of Arcadis on behalf of Franklin Department of Public Works for the rehabilitation, replacement, and general improvements to the interceptor, as well as a new pump station on the property at 275 Beaver Street. The work will impact the Riverfront Area, Bordering Vegetated Wetlands, the 100-foot Bordering Vegetated Wetlands Buffer and the 200-foot Riverfront Area Buffer.

The Project begins at the end of an existing sewer line northwest of Franklin Village Mall and follows the line under West Central Street until Beaver Street; then along Beaver Street to Hayward Street and ends on Cottage Street. The work also involves a sewer line that runs from Beaver Street to Grove Street and along West Central Street until the intersection of Forge Parkway.

The hearing will provide an open forum for the discussion. This meeting will be done remotely via the "ZOOM" platform and "In-person" in the Council Chambers of the Municipal Building, 355 East Central Street. Residents can visit the Town Website (Franklinma.gov) and click on the Town Calendar for up to date information on how to access the meeting.

All records and files for this project can be viewed at the Conservation Office located on the first floor of the Franklin Municipal Building.

Any person or organization so wishing will be afforded an opportunity to be heard. The hearing location is accessible to persons with physical disabilities. If you require a translator or accommodations for a hearing impairment, contact the Conservation Department at the Municipal Building or by calling (508) 520-4929.
