Conservation Commission

Town of Franklin Conservation Commission

Pursuant to Massachusetts General Laws Ch. 131, s.40 (Wetlands Protection Act), the Franklin Conservation Commission will hold a Hybrid Public Hearing on Thursday, February 22, 2024 at 7:11 PM for a Request for Determination filed by Michael Malynowski of Allen & Major Associates, Inc., Manchester, NH on behalf of Donegal LLC, Manchester, NH. The project proposes to construct a 36,000 square foot manufacturing/warehouse facility with associated stormwater infrastructure, utilities, loading docks, and parking areas. Bordering Vegetated Wetlands (BVW) exist on site, however all proposed work plans to take place outside of the 100-foot Buffer Zone to BVW.

The Project is located at 6 Forge Parkway, Map 272 Lot 5, in the Industrial Zone.

The hearing will provide an open forum for the discussion. This meeting will be done remotely via the "ZOOM" platform and "In-person" in the Council Chambers of the Municipal Building, 355 East Central Street. Residents can visit the Town Website (Franklinma.gov) and click on the Town Calendar for up to date information on how to access the meeting.

All records and files for this project can be viewed at the Conservation Office located on the first floor of the Franklin Municipal Building.

Any person or organization so wishing will be afforded an opportunity to be heard. The hearing location is accessible to persons with physical disabilities. If you require a translator or accommodations for a hearing impairment, contact the Conservation Department at the Municipal Building or by calling (508) 520-4929.
