Re: Demolition Request for Structures at 87 Grove St.

Dear Mr. Nutting:

At its May meeting, the Historical Commission received the demolition request for the structures at 87 Grove St. which you had sent to Building Commissioner David Roche. The Historical Commission reviewed your letter, and the very helpful report you provided from Fuss & O'Neill describing the conditions at the site. Upon reviewing this information, we determined that the structures on Lots 022 and 027 are not of historical value or significance to the town. We therefore have no objection to the demolition of these structures.

Regards,

Bob Percy
