Dear Sir/Madam:

The Franklin School Committee has begun the process of selecting the next Superintendent of Schools in Franklin. To facilitate this important process, the Committee has enlisted the firm of Hazard, Young and Attea Associates, a national consulting firm. A critical first step in the selection process is to develop a profile of desired leadership characteristics based on feedback from the community.

The Franklin School Committee would like to cordially invite you to offer your feedback to help inform them in this phase of the selection process. This will be invaluable in developing the leadership profile of the next Superintendent of Schools.

If you would like to offer your feedback about the desired leadership characteristics of the next Superintendent of Schools, please follow the link below to a brief survey. This survey will be open until November 15, 2016.
