

Industrial Parks

Franklin's industrial and office parks house a substantial number and variety of businesses representing many industrial sectors, including metal fabrication, food processing, data storage equipment, software development, fiber optics, electronic equipment, measurement devices, bio-storage, metalized paper, and distribution. In recent years Franklin has attracted new innovative technology companies performing research and development and manufacturing in a variety of areas, including nanotechnology, specialty materials, medical devices, and biotechnology.

Forge Park

Forge Park is a 360-acre master planned office and industrial park on Route 140, one mile from Interstate 495's Exit 17. The park contains a wide range of office, research and development, and manufacturing companies.

In addition, Forge Park is the site of Forge Park Commuter Rail Station, Marriott Residence Inn, and a YMCA fitness center.
