Beach Volleyball League

Join our Co-Ed beach volleyball leagues! \$65.00 per player! More information to follow!

Location: King Street Memorial Park.

Intermediate 6's: The intermediate level is geared towards participants who are still relatively new to the sport but are seeking a little bit more competition. You can think of it as the “middle of the road” level. Participants that play at this level have good knowledge of the rules of the game and are ready to become more competitive but are still not very serious. Most participants at this level have played for a few season. This is a great level for those teams that have had success at the recreational level and are ready to step their game up!

Tuesday Nights: July 12-August 16. Playoffs August 23rd & 30th. 6:00-8:30pm

Recreational 6's: The recreation level is geared towards participants that are just looking to have fun. So you don't know what bump, set, spike is? Or, you may not know how to do those skills. This is the most basic level the Franklin Recreation Department offers. Participants that play at this level are out to enjoy themselves and not out for the sheer competition of the sport. Most players have not played this sport before or have only played a couple of times. This is a great level for beginning teams/players to start!

Wednesday Nights: July 13-August 17. Playoffs August 24th & 31st. 6:00-8:30pm

Competitive 4's: This division is for experienced players. This is a fast-paced division where you will see high levels of skill. You will see good team work and organized attacks will be made consistently in this league along with huge blocks!

Thursday Nights: July 14– August 18. Playoffs August 25th & Sept 1. 6:00-8:30pm

PICKLEBALL

CHECK OUT THE NEW CRAZE!!

The Recreation Department and our camp counselors are looking forward to a fun-filled summer! We have a few requests to help make your child's camp experience the best it can be!

What to Bring: Please make sure that your child has a hat and sunscreen (not administered by staff), as well as a towel and swimwear each day. We may use sprinklers, water balloons, etc. on days that are not designated water days, especially if it is very hot. We encourage that swimwear be worn under any other clothing if possible. Also, please make sure that your child has sneakers for sport activities. Please make sure to send your child with plenty of *beverages*, a snack for snack time and a lunch.

Extras: The ice cream truck comes each day at 2:00pm. If you want to send your child with money for ice cream, please send them with no more than \$2.00, and be sure to discuss with your child a safe place where you would like them to keep their money (backpack, etc.) as counselors will not be responsible for your campers money.

Label, Label, Label: Please label all of your child's belongings. We do not have a lost and found **and we are not responsible for lost or missing items**. Please check to be sure your child has all of his/her things when you pick them up.

Rain Days: In the event of rain or inclement weather, camp will be moved to a school in Franklin (School still TBD). The Recreation Department will notify everyone around 7:00am via email or the night before if we know the weather will be poor. Drop off and pick up will take place at the designated school.

Pick-Up: All campers must be picked up no later than 3:30pm, unless you are on the late pick up list. It is essential that parents check in with their child's counselor at pick-up. A picture ID is required for parents picking up if they are not the parent who dropped their child off. Please list all drop off and pick up personal during registration to ensure a smooth drop off and pick up process.

*** This new LIT Internship program is replacing the CIT program. We are eliminating our CIT program due to our re-structured camp***

Leader in Training Internship Program- What is it?

This program is an opportunity to spend a summer with our highly trained and enthusiastic staff. Candidates will develop self-awareness, build conflict resolution skills, and identify and address personal challenges. This does not guarantee a counselor position in future summers; however it does offer an opportunity to show off your skills and desire to be in the running for a counselor position post LIT Internship Program.

How do I go about becoming an LIT?

All interested candidates must participate in an interview process with the Director of Recreation and the Camp Director. Please call the Recreation Department to schedule your interview.

Who are we looking for?

We are looking for candidates' ages 15 -16 years old who are motivated, creative, independent, and candidates who are especially enthusiastic about our summer camp. We would prefer a candidate who can devote their entire summer; however we will take your vacations into consideration.

What is expected of you?

After a candidate is accepted into the program, we require attendance to camp Monday through Friday, 8:00am-3:30pm. We require attendance all eight (8) weeks unless vacations are specified ahead of time with the camp director.

Candidates will also be expected to attend First Aid and CPR training held by the Recreation Department prior to the start of camp. We want candidates to feel they are part of our camp staff.

Fee and other information:

There is a one time \$100.00 fee which covers all eight (8) weeks of camp, CPR and First Aid training, t-shirt, pizza Friday's, certain field trips, and all of the wonderful experiences you will gain in our internship program.

If you are interested, please call the Recreation Department to set up an interview. The interviews will be conducted up until the end of April. All qualified candidates will be notified of their acceptance by the end of May.
