 Subject: Notice of Intent assistance

Plantings – 4 Lowbush Blueberry/*Vaccinium angustifolium*
 4 Alt. Leaved Dogwood/*Cornus alternifolia*

Hi Karon,

I received your contact information from Paul at B&L Pools to hopefully assist with a notice of intent for the Conservation Board in the Town of Franklin. Paul mentioned he had reached out Monday or Tuesday this week, just wanted to check if you need anything from me, next steps etc.

I appreciate the assistance.
