

Recycle your clothes for FREE with Helpsy Home Pick Up Service

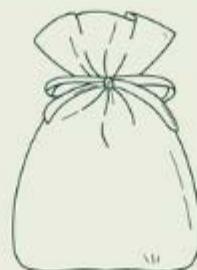

According to the EPA, only 15% of unwanted clothing ends up being reused or recycled, meaning the overwhelming majority of clothes end up in landfills or incinerators.

Together, with your help, we can increase the amount of clothing that gets a second chance to create a huge impact for our community and the planet.

Franklin has partnered with Helpsy, a certified B Corp, to provide at home clothing recycling to residents. It saves you time, the town money, and the planet's resources.

Recycling your clothes with Helpsy's Home Pickup service is free and couldn't be easier. Just sign up at www.helpsy.com/franklinma, bag up your items, and Helpsy picks up from your front steps on collection day. Helpsy only asks that items are clean, dry, and odorless, and placed in a closed plastic bag.

Recycling is for everyone!

BAG UP

Prepare your textiles in a waterproof bag.

SIGN UP

Enter your information and pick a date.

PICK UP

Label and place your bags at the address provided before 7 AM.
