Re: Spring Street – Scenic Road Permit

Dear Board Members:

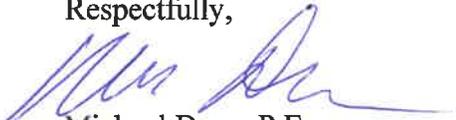

We are submitting the following information in reference to the Memorandum sent to the Planning Board, dated December 4, 2024, from the Department of Planning and Community Development (DPCD), in reference to Spring Street, Scenic Road Permit.

- Planning Board request the fee be paid.
 - The applicant has paid the fee.
- Planning Board requested to see a list of road improvement items that are approved by the DPW.
 - Improvements / Items that have taken place and shown on the site plan.
 - Trees have been removed – a Fine has been levied by the Tree Warden – 4 additional trees are shown / proposed to be removed for the installation of the turn around (referenced below) and 4 trees are proposed to be planted in front of lot 3 as mitigation.
 - The top & sub soil has been removed
 - Crushed material has been placed where the top & sub soil has been removed.
 - Test pits were performed in the crushed material location and witnessed by the DPW to show the depth of material placed.

- Proposed items shown on the site plan.
 - Additional 4" thick layer of dense grade crushed stone to be added on top of the recent improvements.
 - A proposed turn around at the end of the improvements is shown on the site plan.
 - Additional test pits may be required at the request of the DPW.

Please let us know if you need any additional information.

Respectfully,

Michael Dean, P.E.
