Come see **Franklin's first public art micro gallery** at the **Sculpture Park**! This initiative features rotating exhibitions which transform small, curated spaces into dynamic showcases of creativity, and aims to make art more accessible and engaging for the community. **The first micro gallery showcases work by local artist Amy Vulfovich.**

The DPW has established a new **"Carry In / Carry Out" Trash & Recycling Policy** for all users of the Town's outdoor property. Sports groups, parents, players and all who enjoy Town fields and parks are advised to become familiar with this new policy, as failure to comply could result in closures of these facilities. Thank you for your cooperation in keeping our community clean!

Franklin **Recreation** has officially moved to their new, temporary location at the Parmenter School as a result of the **Beaver Street Interceptor Project** construction.

Looking for ways to stay cool this summer? Visit the Town [Library](#), [Recreation](#), [Senior Center](#) and [Franklin Culture](#) websites to learn how to participate in summer programs and activities.
