PROGRAM/COURSE CONFIRMATION

We send an email receipt of each registration. Please understand that it is your responsibility to know the date, time, and location of any program. A participant is registered only when payment is received.

All programs are offered on a first come, first serve basis. Franklin Recreation reserves the right to cancel or consolidate a program that does not meet the minimum participant registration numbers. Remember, nothing terminates a program faster than waiting until the last minute to register. Sign up early to avoid disappointment.

We primarily communicate through email for program changes and updates. Please be sure to check emails you receive from us.

REFUND POLICY

Refunds are only issued in the event of a cancelled program or if there is a medical emergency with a doctor's note. Every attempt will be made to reschedule a class that has been cancelled for inclement weather, instructor absence or holiday. We are not responsible for making up classes that are missed due to the participants inability to attend. Refunds are not given for lack of attendance. A \$10.00 fee will be charged for all refunds.

PARTICIPANT PHOTOGRAPHY POLICY

Photographs may be taken of participants and sent to newspapers or posted on Franklin Recreation's Facebook and Instagram for publicity purposes. SMILE for the camera! ***If you do not want your child's photograph publicized***, please notify the instructor or office prior to the start of the program.

INCLEMENT WEATHER

Every attempt will be made to reschedule a class that has been cancelled for inclement weather. When the Franklin School Department cancels school because of emergencies or weather conditions, all Recreation Department programming will be cancelled for the entire day. If a storm develops later in the day, please check your email before leaving your home for your activity.

INABILITY TO PAY

The Recreation Department has established a [Program Assistance Fund](#) for all Recreation programs and Franklin Youth Sports programs offered through the Town of Franklin. The Program Assistance Fund was established with the understanding that there are residents who cannot afford the registration fee and are therefore unable to participate. The sole purpose of this fund is to find ways to give every child and family the opportunity to participate in recreation activities while providing a mechanism for equitable treatment and optimal accommodation for resident families in need. Household income will be used to determine need.

WAIT LISTS

If you are interested in a program that is full, please call to be on the wait list or register online if a waitlist is available. If there is a cancellation, people on the wait list will be the first to be called.
