Chapter 63. Buildings, Numbering of

(History: Adopted by the Town Council of the Town of Franklin 3/17/82 as Bylaw Amendment 82-29. Amendments noted where applicable).

GENERAL REFERENCES

Subdivision of land – See Ch. 300.

63-1. Affixing of numbers required.

All persons shall affix to buildings owned by them and located on or near the line of public or private ways the street numbers designated for such buildings by the Town Administrator, and no person shall affix or allow to remain on any building owned by him a street number other than the one designated by the Town Administrator.

63-2. Visibility of numbers.

All numbers shall be affixed so that they will be plainly visible from the roadway, and any building, which is not plainly visible from a roadway, shall have at the entrance of its driveway, visible from said roadway, the designated number.

63-3. Assignment of numbers; waiver of requirements

The assignment of numbers shall be made consecutively in ascending order, beginning at the principal street from which the street to be numbered runs. The odd numbers shall be on the right-hand side of said street in the direction of the ascending numbers. The Town Administrator may waive the requirements of this section for any roadway, which is already numbered where renumbering in accordance with this section would cause substantial hardship.

64-4. Violations and penalties.

Any person violating the provisions of this Chapter shall be liable to a fine not exceeding twenty-five and no/100 (\$25.00) for each offense.
