

**Controlled Construction Affidavit**  
**Town of Franklin**

**Project Name:**

**Location:**

**Scope of Project:**

In accordance with Section 107.6 of the Massachusetts State Building Code, I \_\_\_\_\_  
Massachusetts Registration No: \_\_\_\_\_ being a registered professional (Architect/Engineer) hereby  
certify that I have prepared or directly supervised the preparation of all design plans, computations and  
specifications concerning:

|               |            |                |                 |
|---------------|------------|----------------|-----------------|
| Architectural | Structural | Mechanical     | Fire Protection |
| Electrical    | Plumbing   | Entire Project | Other (Specify) |

For the above named project and that, to the best of my knowledge such plans, computations and  
specifications meet the applicable provisions of the Massachusetts State Building Code, all applicable  
engineering practices and all applicable laws for the proposed project.

I further certify that I shall perform the necessary professional services and be present on the construction  
site on a regular and periodic basis to determine that the work is proceeding in accordance with the  
documents approved for the building permit and shall be responsible for the following as specified in  
Section 107.6.2.2

1. Review of shop drawings, samples and other submittals of the contractor as required by the  
construction contract documents as submitted for the building permit and approval for the  
conformance to the design concept;
2. Review and approval of the quality control procedures for all code-required controlled  
materials;
3. Special architectural or engineering professional inspection or critical construction components  
requiring controlled materials or construction specified in the accepted engineering practice  
standards listed in appendix B.

Pursuant to Section 107.6.4 I shall submit periodically, progress reports together with pertinent comments to  
the Building Commissioner. Upon completion of the work, I shall submit a final report as to the satisfactory  
completion and readiness of the project for occupancy.
