A motion was made and carried to accept 06/01/2017 minutes.

Old Business:

1.) Rockland Trust.

Letter was received from Rockland trust regarding door opening on Main Street branch. It was confirmed that their door was in compliance with ADA regulations. If at any time someone needs help opening the front door, it was suggested they call the bank first and someone Would come out to help them.

2.) Mary, Lorraine, Martha all met with Lisa Audette at the Franklin Housing Authority. Lorraine took notes and will present them at our next meeting. Subject of conversation was Franklin housing for the disabled – where, how, when people apply and the apartment availability for them. More to follow.

3.) Handicapped swing – the swing is in the possession of Paul Molla. The only hold up right now is that we are waiting for DPW to shovel out the area where the swing will be placed. Mary will call them to remind them of what we need. She will also check on the order status of the commemorative plaque for the swing.

4.) Senior Expo – Mary received notification of the date for this year's show. It will be held at the senior citizens center on Friday, October 6. Mary, Debbie, Randy will research possible items to give away at our table.

5.) Mary presented an award to Mike Furillo for his 25 years of volunteering on the disability commission. Mike was one of the first members on our commission. Congratulations to Mike for his 25 years of service!

New Business: None
