**Re: 15 Liberty Way
Notice of Intent Review Scope and Fee Amendment #1**

Dear Ms. Goodlander:

BETA Group, Inc. (BETA) is pleased to provide this amendment for peer review services for the Notice of Intent (NOI) seeking approval of proposed work (the Project) at **15 Liberty Way** in Franklin, Massachusetts (the Site). This letter is provided to outline the revised scope and fee of BETA's review following requests made by the Franklin Conservation Commission at the July 13, 2023 public hearing.

SCOPE OF REVIEW

I. Supplemental Review Site Conditions:

11. Conduct a supplemental Site inspection with the Applicant's representative to review additional Resource Areas identified in the field by BETA. BETA will review additional flags placed in the field by the Applicant's representative and confirm whether the field changes will require the Applicant to file an NOI with MassDEP under the Massachusetts Wetlands Protection Act.

FEE

The FEE for the scope of services identified above including expenses is not to exceed \$1,200.

If the Conservation Commission requires additional tasks, reviews, or meetings not included under this scope of services as described above, BETA will provide an additional scope and fee for approval prior to beginning additional tasks.

If we can be of any further assistance regarding this matter, please contact us at our office.

Very truly yours,

BETA Group, Inc.
