**1. Hourglass Fitness** – 447 East Central Street – Pylon and window sign.

Hourglass Fitness is a franchise that caters to women's fitness by providing exercise facilities for women only. Cam Alfonso of Signs By Cam represented the owner before the DRC with a request to add a sign to the existing pylon and allow a window sign. The window sign will have white letters with the franchise symbol, which is blacklines with two red hearts and red lips.

The pylon sign will have white letters on a pink background. The sign will be internally lit. Some DRC members expressed concern that the pink background would clash with some of the existing signs on the pylon. Given that this is a franchise and the owner does not have the ability to change the colors, this was accepted by the DRC.

**Motion:** Baryluk. Coleman Second: voted (4-0-0) to **Approve** the pylon and window signs as submitted.

**2. Crown Lift Trucks** – 470 King Street – On site pylon / directional sign and two wall signs.

Crown Lift Trucks, a division of Crown Equipment Corporation is the fifth largest manufacturer of powered industrial forklift trucks in the world. Cam Alfonso of Signs By Cam represented the owner before the DRC with a request to allow two wall signs and a pylon/directional sign. The wall sign with the company's name will be internally lit with fabricated aluminum letters. The parts & service wall sign will not be lit. It will be constructed of fabricated aluminum. The on-site directional sign will match the wall signs and will not be lit.
