Sweeping

Order:

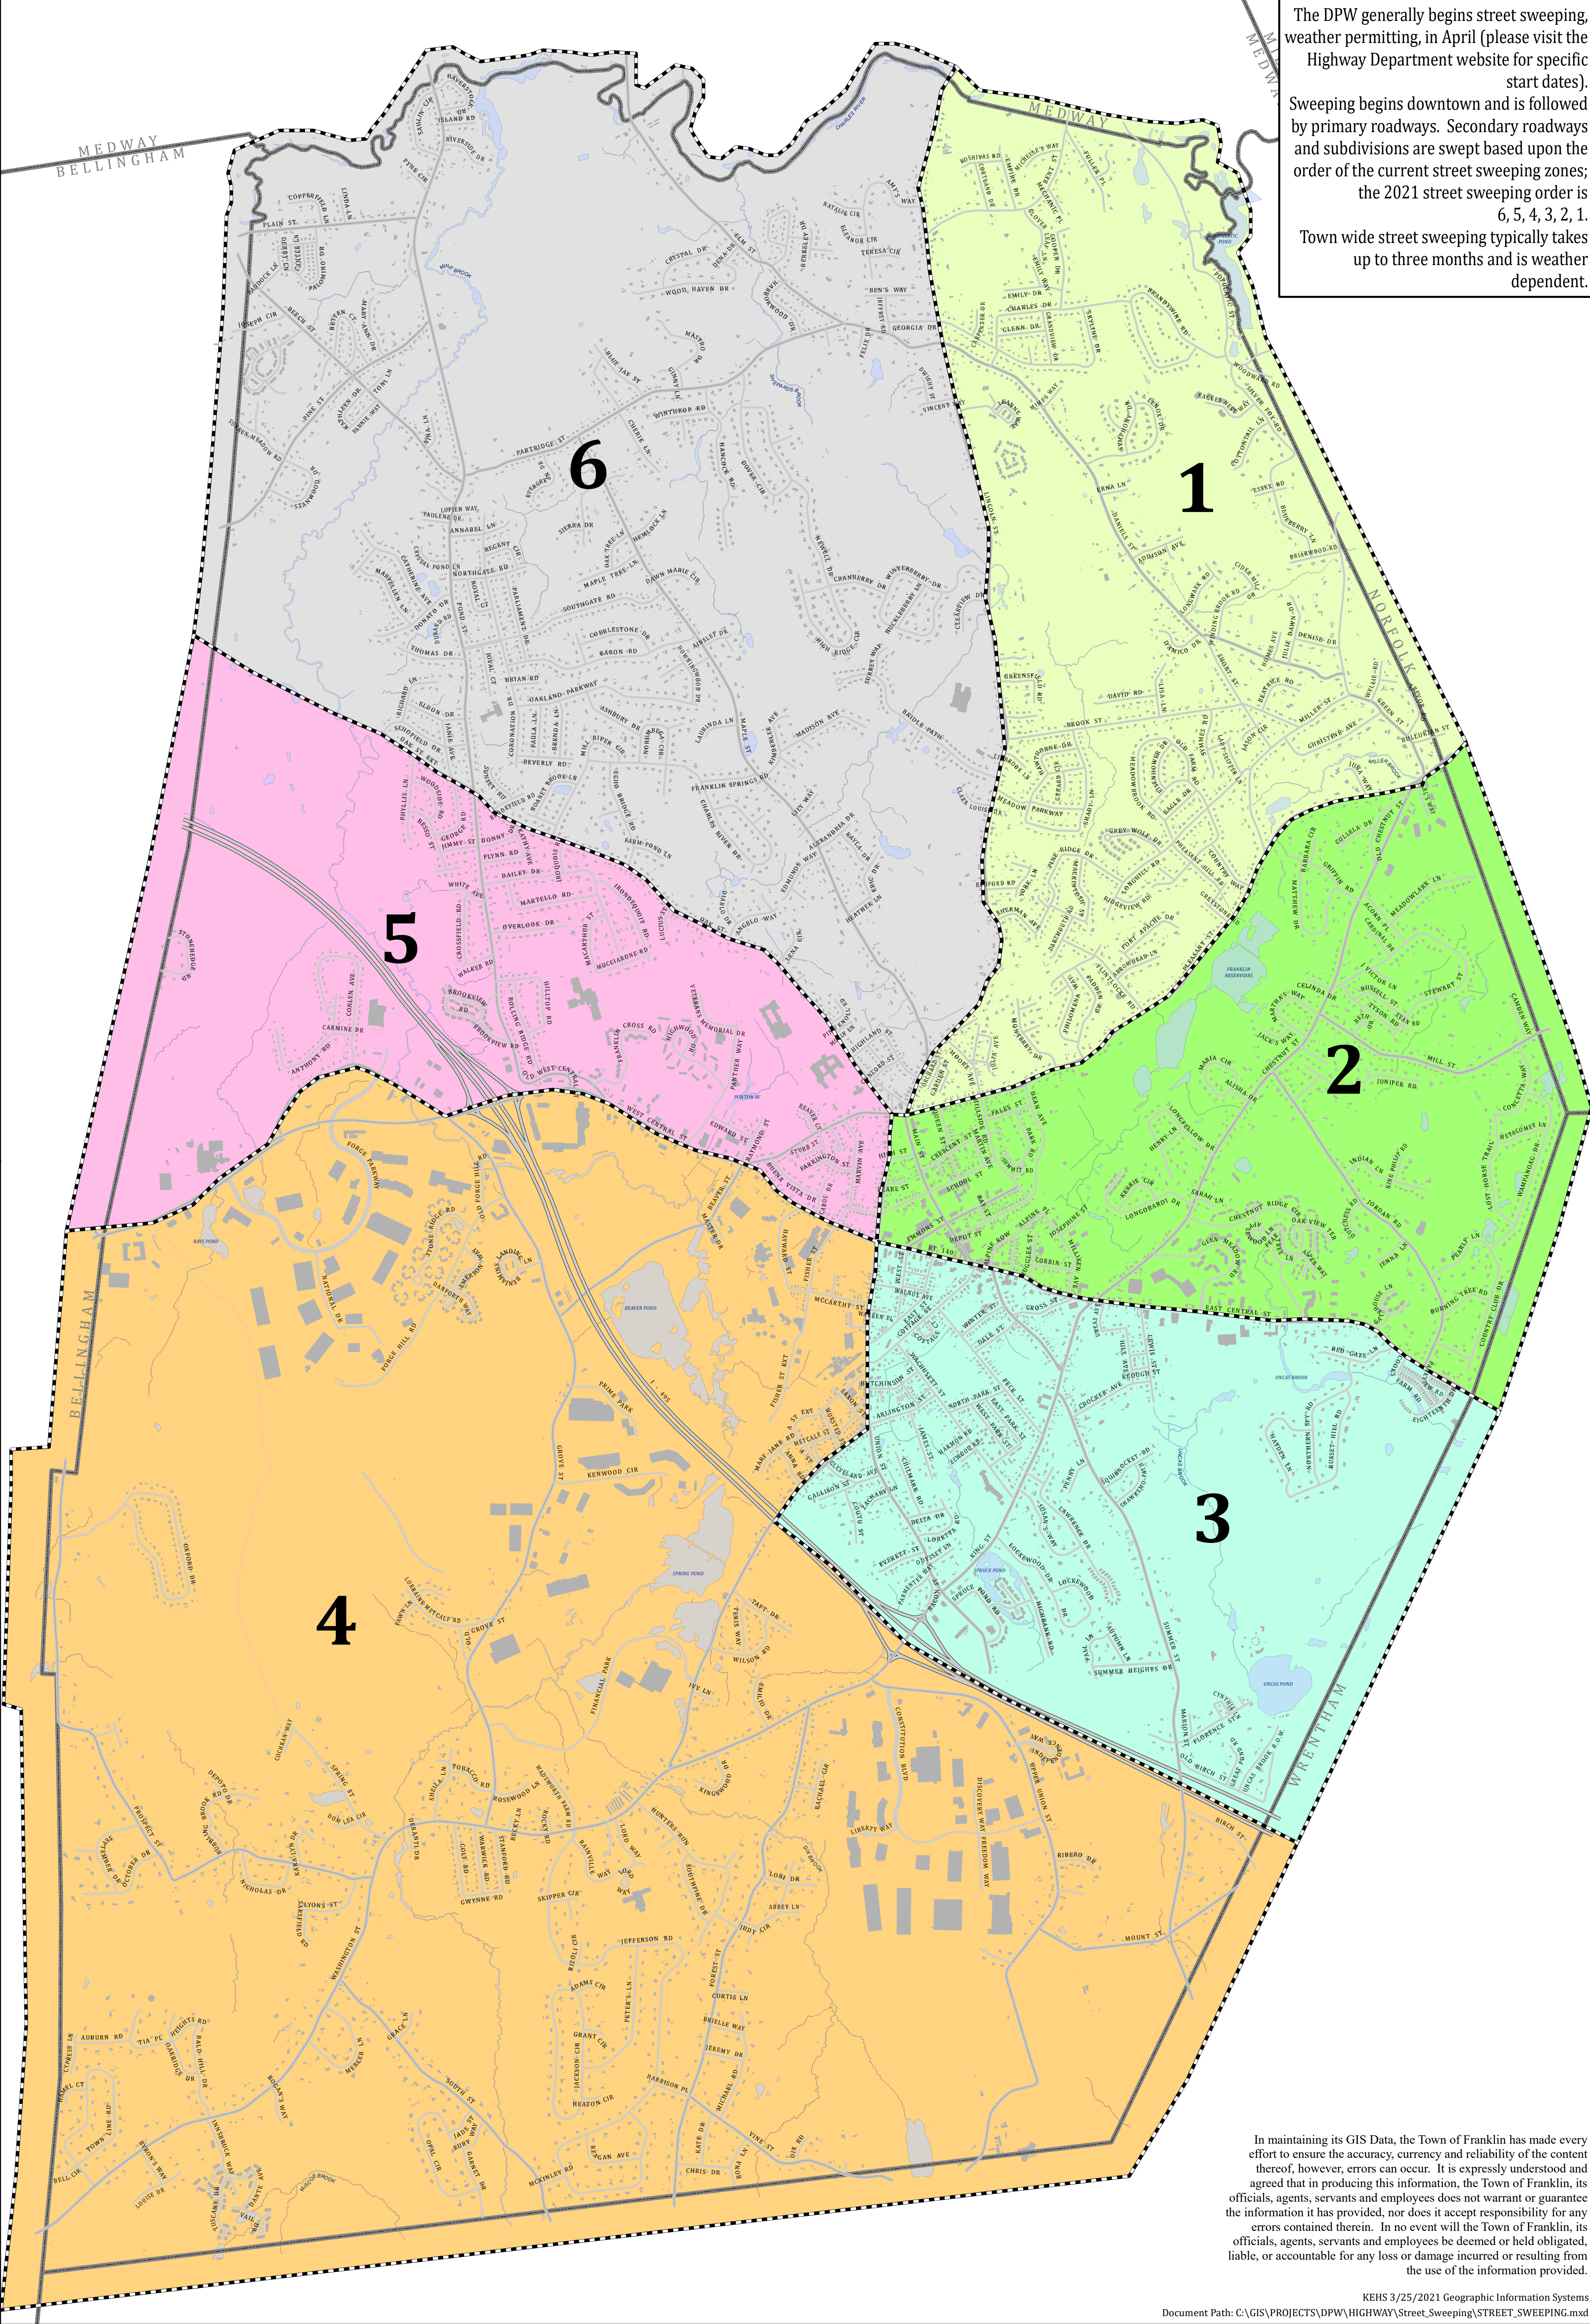

6, 5, 4, 3, 2, 1

The DPW generally begins street sweeping, weather permitting, in April (please visit the Highway Department website for specific start dates).

Sweeping begins downtown and is followed by primary roadways. Secondary roadways and subdivisions are swept based upon the order of the current street sweeping zones; the 2021 street sweeping order is 6, 5, 4, 3, 2, 1.

Town wide street sweeping typically takes up to three months and is weather dependent.
