❖ Reading and acceptance of December 8, 2021 minutes.

### **PUBLIC HEARING**

Public hearing opened at 5:04 pm. Matt Tanis explained that there were concerns with upgrade and repair plans being presented to the board of health putting the burden of certifying septic tanks and their structural integrity on the homeowner. Matt explained that in making a regulation, it would put the responsibility on the engineer, not the homeowner. Matt emphasized that this does not mean if you get your tank pumped, you have to upgrade your tank in anyway. This is solely for a situation where your septic has completely failed and has to be replaced. Questions and discussion were had by residents to which Agent Tanis and the board answered. It was decided that Matt Tanis, along with the health department will revise and write in laymen's terms for the residents as requested at the meeting for their own records and understanding. Public hearing was closed at 5:31pm. Motion to accept amended language by Vice-Chair Harris, seconded by Timothy Cochrane Jr., Member. Motion to roll call vote by Vice-Chair Jeff Harris, seconded by Timothy Cochrane Jr., Member. These regulations will go into effect April 1, 2022. Motion to go into effect by Vice-Chair Jeff Harris, seconded by Timothy Cochrane Jr., Member. Motion to roll call vote by Vice-Chair Jeff Harris, seconded by Timothy Cochrane Jr., Member.

### **27 Winter Street Update**

Director Liberty updated the board that an asbestos abatement was done on December 27, 2021 on this property and noted that the contractor pulled a demolition permit. Agent Tanis stated he noticed that all asbestos siding has been removed and they are moving forward as requested by health department. The owner is keeping in touch with the department as progress moves forward regarding property. Member Cochrane noted that in keeping with the November meeting minutes, the owner should provide a time frame of work to be done by the February meeting.

### **Metacomet Shared Service Grant Regional Inspector's Report**

Health Agent Matt Tanis updated the board with an inspector's report for Franklin for December 2021 stating he had 1 housing inspection, 2 housing re-inspections, 1 nuisance re-inspection, 13 bi-annual inspections, 1 food establishment re-inspection, 1 food complaint inspection and 2 food borne illness inspections. Agent Tanis also informed the board of his participation in the youth Covid-19 clinic as a vaccine administrator as well as attending a habitable house taskforce meeting.

### **Public Health Nurse Update**

Public Health Nurse Alicia Deptula updated the board stating there is still only 1 active TB case, 28 confirmed cases of influenza - 2 suspected, 998 cases of Covid-19 for month of December 2021. Alicia updated the board on the next upcoming kids Covid-19 vaccine clinic being held on both January 9<sup>th</sup> and February 19<sup>th</sup> for the second dose. Alicia stated she is working on a health plan to bring to Central Park Terrace as well as starting a blood pressure and blood sugar clinic.

### **Covid-19 Testing Kits**

Director Liberty updated the board stating that the health department has ordered testing kits for Franklin residents and we are waiting for them to come in. These are antigen kits that have been ordered.
