ALARM USER -- Any person or business on whose premises an alarm system is installed and maintained within the Town of Franklin, except for alarm systems that are installed in or on motor vehicles.

FALSE ALARM -- The activation of an alarm system through mechanical failure, malfunction, improper installation or negligence of the user of the alarm system or his/her employees or agents; and any signal or communication transmitted to the Police Department requesting, requiring or resulting in a response from the Police Department when, in fact, there has been no unauthorized entry or intrusion into the premises and there has been no attempted robbery or burglary at the premises. Excluded from this definition shall be the activation of an alarm system by power outages, utility companies or other outside sources, hurricanes, severe storms and similar conditions.

B. False alarms.

(1) After the Police Department or Fire Department has recorded three separate false alarms within the calendar year, the alarm user shall be assessed the following fees:

- (a) Twenty-five dollars for the fourth false alarm.
- (b) Fifty dollars for the fifth and subsequent false alarms.

(2) Failure to pay the fee within the prescribed time period will result in court action for violation of a town bylaw or a municipal charges lien being placed on the real property pursuant to M.G.L. C. 40, § 58, in the Norfolk County Registry of Deeds until the fee is paid.

C. Audible alarm. All alarm systems that emit an audible signal shall be equipped with a device for limiting the length of the audible signal to 10 minutes. Failure to pay such fee within the prescribed time will result in either court action for violation of a town bylaw or the placement of a municipal charges lien on the real property pursuant to M.G.L. C. 40, § 58, in the Norfolk County Registry of Deeds until the fee is paid.

(2) No provision of this § 125-15.1 shall be construed to place an obligation on the Police Department to respond to an alarm.
