FEBRUARY BREAK PROGRAMS

2020

February 17-21

Join the Franklin Recreation Department and their staff as they host programs during February Vacation. Our February Break programs are designed to keep your child active and engaged with friends in a fun and safe environment(s).

Outdoor Activities in Franklin

We have many outdoor family activities in Franklin. Ice skating, hiking/snowshoeing and sledding. When the ice is frozen, Beaver Pond is a great location for some family fun ice-skating and pond hockey! DelCorte is a wonderful location for snowshoeing in the woods. We have plenty of great hills for sledding! Please note, several sledding hills are considered dangerous due to several impediments (signs, fences, goal posts, etc.) that pose safety hazards.

Best wishes for the New Year!
