Remember, nothing terminates a program faster than waiting until the last minute to register. Sign up early to avoid disappointment.

Inability to Pay

The Recreation Department has established a Program Assistance Fund for all Recreation programs and Franklin Youth Sports programs offered through the Town of Franklin. The Program Assistance Fund was established with the understanding that there are residents who cannot afford the registration fee and are therefore unable to participate. Have you checked out our new Beach Volleyball Court at King Street Memorial Park?

Grab your friends, family or significant other and challenge them to a fun game of beach volleyball!

- Volleyball is played by **two teams of six players** on a court divided by a net.
- The **object of the game** is to send the ball over the net so that the opposing team cannot return the ball or prevent it from hitting the ground in their court.
- Each team has **three hits** to attempt to return the **ball**.
- The ball is put in play by a **serve** that is hit by the server over the net to the opponent.
- When the receiving team wins a volley, it gains the right to serve, and the players rotate one position clockwise.
- When the serving **team** wins a volley, it **wins a point** and the right to continue serving.
- The ball must **clear the net** on a serve. A game is played to **21 points** or some other agreed upon number. The team that wins the best two out of three games wins the match.
