

To whom it may concern,

Walnut Tree Service was sent over to James Mulvaney, 155 King Street in Franklin MA 020383 on Friday Nov 24, 2023 to perform tree removal services. The trees in question were a large Oak tree located at the right rear of the property with the stump being cut low. There was also a cluster of Maple trees to the left of the big Oak tree with the stumps being cut low as well. And lastly a Maple tree behind the big Oak with the stumps being cut low.

We were notified on Thursday 11/30 by Breeka Li Goodlander that there were 2 trees in question that we removed that are possibly on Franklin's Conservation land. We contacted the homeowner and he is aware of everything and is willing to fill everything out and see where we go from here. We will be helping him fill out the forms and such.

If whomever needs any more information or questions , please feel free to contact us at 781-640-0377. Thank you.

Sincerely,
Walnut Tree Service
