**Re: Draft Environmental Impact Report (EEA #16534)
Proposed Warehouse Distribution Facility**
585 King Street
Franklin, MA
(Map #313, Lots #7, 8, 53, 54, & 55)

Dear Ms. Theoharides:

Enclosed please find a link to download a digital copy of the Draft Environmental Impact Report (DEIR) for the proposed warehouse distribution project located in Franklin. The proposed warehouse distribution building will be approximately 255,400 square feet with an estimated total of 275 parking spaces and 82 trailer spaces. This DEIR is being submitted in accordance with the ENF Certificate (EEA #16534) received April 22, 2022. Changes to the project are summarized in Section 1.4 of the DEIR and response to comments received during the ENF process are included in Appendix J.

Included in the DEIR is a circulation list prepared in accordance with 301 CMR 11.16 as well as a copy of the Environmental Justice Distribution List utilized in the ENF filing. Additional agencies or persons who would like to review the DEIR should contact John Kucich by telephone at (508) 480-9900 or via email at jkucich@bohlereng.com.

Please notice the DEIR in the July 22, 2022 Environmental Monitor to commence public review. In accordance with the 2022 Publication Schedule, Comment Deadlines and Decision Dates, public comments are due on August 22, 2022 with a DEIR decision expected on August 29, 2022. We trust the enclosed information is sufficient to facilitate your review. Should you have any questions or require additional information, please do not hesitate to contact us at (508) 480-9900

Sincerely,
BOHLER

Nathaniel E. Mahonen, P.E.

John A. Kucich, P.E.
