Request for Certificate of Compliance**

Dear Commission members,

On behalf of our client, 4 SQ Development, please find the Request for Certificate of Compliance for the Home2 Suites hotel at 725 Union Street. The project was built in general conformance with the approved plans with the following exceptions :

- CB5 was lifted approximately 1' to improve grading in this area.
- There are two additional catch basins that were installed in the trash enclosure areas.
- There are additional plantings including shrubs at the Bioretention basin.
- The identification sign was shifted to the island adjacent to the main entrance
- One additional parking spaces was added to the SW corner of the main parking area.
- The roof drain line was relocated to provide a more direct connection to the underground Infiltration system.

All disturbed areas have been stabilized. The silt sock remains in place.

We respectfully request that a Certificate of Compliance be issued for this project.

Respectfully submitted,
J.K. Holmgren Engineering, Inc.
