Town of Franklin Conservation Commission

Pursuant to Massachusetts General Laws Ch. 131, s.40 (The Wetlands Act), the Franklin Conservation Commission will hold a Hybrid Public Hearing on Thursday, April 28, 2022 at 7:01 PM on a Request for Determination filed by New England Power Company for conducting PIT maintenance activities at 42 structures along the C129 Transmission Line, including removal of wood decay below the soil line, within the 100' buffer zone to a Bordering Vegetated Wetland area and the 200' riverfront area.

This project is located around the C129 Transmission Line Right of Way, at multiple locations along the New England Power Company Easement.

The hearing will provide an open forum for the discussion. This meeting will be done remotely via the "ZOOM" platform and "In-person" in the Council Chambers of the Municipal Building, 355 East Central Street. Residents can visit the Town Website (Franklinma.gov) and click on the Town Calendar for up to date information on how to access the meeting.

All records and files for this project can be viewed at the Conservation Office located on the first floor of the Franklin Municipal Building.

Any person or organization so wishing will be afforded an opportunity to be heard. The hearing location is accessible to persons with physical disabilities. If you require a translator or accommodations for a hearing impairment, contact the Conservation Department at the Municipal Building or by calling (508) 520-4929.
