

FRANKLIN TOWN COUNCIL

Agenda & Meeting Packet

November 21, 2023

Meeting will be held at the **Municipal Building** 2nd floor, Council Chambers

355 East Central Street

6:00 PM

A NOTE TO RESIDENTS: All citizens are welcome to attend public board and committee meetings in person. Meetings are also live-streamed (and archived) by Franklin TV on the <u>Franklin Town Hall TV YouTube channel</u>. Meetings are also shown live and on repeat on Comcast Channel 9 and Verizon Channel 29. In an effort to maximize citizen engagement opportunities, citizens can participate remotely via phone OR Zoom.

Link to access meeting via Zoom for the November 21, 2023 Town Council meeting:

- Zoom Link HERE -- Then click "Open Zoom".
- Or copy and paste this URL into your browser: <u>https://us02web.zoom.us/j/81983571907</u>
- Call-In Phone Number: Call 1-929-205-6099 and enter Meeting ID # 819 8357 1907 -- Then press #
- Please be sure to include your name in order to be identified and let into the meeting.
- You will automatically be muted upon "entering" the meeting. In order to speak, you will need to "raise your hand" on the Zoom platform and request to be unmuted.

1. ANNOUNCEMENTS FROM THE CHAIR

- a. This meeting is being recorded by Franklin TV and shown on Comcast channel 9 and Verizon Channel 29. This meeting may be recorded by others.
- b. Chair to identify members participating remotely.
- c. Town sponsored event announcements

2. CITIZEN COMMENTS

a. Citizens are welcome to express their views for up to three minutes on a matter that is not on the agenda. The Council will not engage in a dialogue or comment on a matter raised during Citizen Comments. The Town Council will give remarks appropriate consideration and may ask the Town Administrator to review the matter.

3. PUBLIC HEARINGS - 6:00 PM

- a. Franklin Tax Classification Hearing
 - i. Legislation for Action Items: 4a, 4b, 4c, 4d, 4e

4. LEGISLATION FOR ACTION

- a. <u>Resolution 23-66: Tax Classification Residential Factor</u> (Motion to Approve Resolution 23-66 - Majority Vote)
- b. <u>Resolution 23-67: Tax Classification Open Space Exemption</u> (Motion to Approve Resolution 23-67 - Majority Vote)
- c. <u>Resolution 23-68: Tax Classification Small Business Exemption</u> (Motion to Approve Resolution 23-68 - Majority Vote)

- d. <u>Resolution 23-69: Tax Classification Residential Property Exemption</u> (Motion to Approve Resolution 23-69 - Majority Vote)
- e. <u>Resolution 23-70: Tax Classification Senior Means Tested Exemption</u> (Motion to Approve Resolution 23-70 - Majority Vote)
- 5. ADJOURN

Note: Two-Thirds Vote: requires 6 votes

Majority Vote: requires majority of members present and voting

OFFICE OF THE TOWN ADMINISTRATOR

Memorandum

November 17, 2023

To: Town Council

From: Jamie Hellen, Town Administrator Amy Frigulietti, Deputy Town Administrator

Re: Annual Tax Rate Hearing for FY24

The attached information is related to the annual Tax Rate Hearing. The Hearing is required by Massachusetts law for the Town Council to set the FY24 Tax Rate (July 1, 2023 - June 30, 2024).

Attached is a packet of information from the Assessors office on the tax rate hearing. Please note the proposed tax rate is dropping from \$12.58 in FY23 to \$11.79 in FY24. Additionally, the residential single family property assessment has increased 9.5% from \$593,800 to \$650,400.

Please read the materials from the Board of Assessors carefully as there is a good amount of data that is of interest to the community. They have also provided the materials we are required to file with the state, as well as some historical information.

This memo and packet will serve as the backup for the five tax classification resolutions included under Legislation for Action on the 11/21/23 Town Council Meeting Agenda (4a-4e, 23-66, 67, 68, 69, 70), all of which need to be voted on annually by state law.

If you have any additional questions please feel free to ask.

LEGAL NOTICE FRANKLIN TAX HEARING NOTICE OF PUBLIC HEARING PROPERTY TAX CLASSIFICATION

The Franklin Town Council will hold a Public Hearing in the Council Chambers of the Municipal Building, 355 East Central Street, Franklin, MA on Tuesday, November 21, 2023 at 6:00 P.M. on the issue of allocating the local property tax levy among the 5 property classes for the Fiscal Year 2024. The hearing will provide an open forum for the discussion of local property tax policy. Interested taxpayers may present oral or written information on their views.

Prior to the setting of the tax rate, the Town Council must adopt a Residential Factor following which the Council selects the percentage of the levy to be borne by Commercial, Industrial and Personal Property.

Citizens are welcome to attend public meetings in person. Additionally, citizens will be able to continue to participate remotely via phone OR Zoom. Residents can visit the Town Website (Franklinma.gov) on and after November 17, 2023 and click on the <u>Town Calendar</u> for up to date information on how to access the meeting. If you have any questions, please call the Town Administrator's Office at (508) 520-4949.

Submitted by, Julie McCann Operations Assistant to the Town Administrator

OFFICE OF THE BOARD OF ASSESSORS

MEMORANDUM

DATE: November 21, 2023
To: Town Council
FROM: Board of Assessors Kevin W. Doyle, Director of Assessing
RE: FY 2024 Tax Rate Hearing

Please find attached our information related to the annual Tax Rate Hearing. The hearing is required by Law and is intended primarily for the Town Council to determine whether the FY 24 Tax Rate (July 1, 2023 - June 30, 2024) will be a single/uniform or a dual/split tax rate.

A single tax rate means that all property classes (residential, commercial, industrial and personal) are taxed at the same tax rate. A dual tax rate means the commercial-industrial-personal tax rate is increased while the residential rate is decreased. In other words, some of the residential tax burden is shifted towards commercial, industrial and personal properties.

PLEASE NOTE THAT A DUAL TAX RATE DOES NOT PRODUCE MORE TAX REVENUE, IT SIMPLY SHIFTS THE BURDEN.

Currently the single tax rate for FY 23 is \$12.58 and the proposed tax rate for FY 24 rate is \$11.79. The average single family assessment value increased from \$593,800 to \$650,400 or \$56,600 (9.5%). For the average single family assessed at \$650,400, the tax bill will increase by \$198 a year. Individual homes may increase or decrease depending on numerous other factors.

Approximately 81% of property tax valuation and thus tax revenue is from residential taxes and 19% from commercial, industrial and personal property (CIP) taxes. If the council voted for a duel tax rate then the shift from Residential to CIP would be on a 4 to 1 basis. For example if the Residential tax rate was lowered by \$1 per thousand dollars valuation, the CIP tax rate would need to increase by \$4 to offset the reduction in taxes collected by Residential properties.

 $\mathbf{2}$

Franklin has always had a single rate; we're happy to answer any questions that you may have.

Special Note: We send out quarterly tax bills. The first two (July and October) are preliminary largely based on last fiscal year's bills. The final two tax bills in January and April are based on the Actual Tax Rate and Final Assessment of each property. Accordingly the four quarterly bills are usually different. The first two are generally lower while the last two are higher.

Simple Example – Your last year's tax bill was 6,000 and this year it goes up 200 for a total of 6,200. Your first two bills would be 1,500 each for a total of 3,000. The last two tax bills are the final actual total less the first two preliminary tax amounts (6,200 minus 3,000 = 3,200) divided into the two (January and April) final installments (1,600 each).

Many folks multiply their third quarterly \$1,600 amount times four and think their new bill is \$6,400 for the year. They need to look at the total annual tax as indicated on the actual 3^{rd} Quarter Tax Bill, not just at one quarterly bill. Remember that valuations typically change annually in accordance with use of the State required data. The Total Tax Levy typically increases by $2\frac{1}{2}$ % (Proposition $2\frac{1}{2}$), by New Growth Revenue (improvements and new properties added to the tax base), and by adjustments in the Debt Exclusion amount to be raised for payments on long-term capital projects (i.e. schools).

SHIFTING THE TAX RATE

Fiscal Year 2024

I. CALCULATION OF THE MINIMUM RESIDENTIAL FACTOR - 150% Shift (formerly shown on the LA-7)

The Minimum Residential Factor is used to make sure the shift of the tax burden complies with the law (M.G.L. c. 58, § 1A). Residential and Open Space taxpayers must pay at least 65% of their full and fair cash value share of the levy. Commercial/Industrial/Personal Property taxpayers cannot pay more than 150% of their full and fair cash value share of the levy. If the calculated Minimum Residential Factor is less than 65%, a community cannot make the maximum shift and must use a Commercial/Industrial/Personal Property factor less than 150%.

A Class		C centage Share Comb	D Ined Res/OS, CIP
1. Residential	6,473,395,910	81.0145%	81.0145%
2. Open Space	0	0.0000%	
3. Commercial	523,347,555	6.5497%	18.9855%
4. Industrial	734,290,380	9,1896%	
5. Personal Property	259,381,120	3,2462%	
TOTALS	7,990,414,965	100.0000%	

The "Percentage Share" is based on the "Full and Fair Cash Valuation" of each class, which is affected by the level of assessment for each class. The level of assessment can range between 90% and 110%. This alone can cause a shift if the level of assessment for Residential and Open Space is different than the level of assessment for Commercial, Industrial and Personal Property.

Maximum Share of Levy for Commercial/Industrial/Personal Property: 150% * 18.9855% (Lines 3C + 4C + 5C) = 28.4783% (Max % Share)

This calculation shows the maximum % share of the levy allowed for the full and fair cash value of the combined Commercial, Industrial and Personal Property classes (150% of the combined shares.) NOTE: Shift impact is reduced as the Max % Share decreases.

Minimum Share of Levy for Residential and Open Space: 100% - 28.4783% (Max % Share) = 71.5217% (Min % Share)

This calculation shows the minimum % share of the levy allowed for the full and fair cash value of the combined Residential and Open Space Property classes, This is computed by subtracting the Maximum Share for Industrial/Commercial/Personal Property from 100%.

Minimum Residential Factor (MRF): 71.5217% (Min % Share) / 81,0145% (Lines 1C + 2C) = 88.2826% (Minimum Residential Factor)

This calculates the Minimum Residential Factor: divide the minimum % share for Residential and Open Space by the actual % share for Residential and Open Space.

MINIMUM RESIDENTIAL FACTOR: 88.2826% Chapter 58, Section 1A mandates a minimum residential factor of not less than 65 percent

When the Minimum Residential Factor is multiplied by % share of the Residential and Open space full and fair cash value, it reduces the Residential and Open Space share to its Minimum % Share of the Levy as calculated above.

FISCAL YEAR 2024 INTERIM YEAR ASSESSMENTS UPDATE

For local cities and towns in Massachusetts, most revenue is raised through local "ad valorem" taxation, that is taxation on local real and personal (primarily business assets) property "according to value". Since valuation is the basis for taxation, about 40 years ago court decisions and legislation resulted in state mandates to assure "Full and Fair Taxation" with every community revaluing all property every 3 years. Previously, while assessors recognized the importance of updating property records and values, there was often a perceived or real local government concern that once revalued, the city or town may appear to the state to be wealthier relative to its need to receive state aid. Thus, the state made it clear that this was a new mandate for uniformity statewide, thus state aid at least as value is concerned should be fairer. During this same time, Proposition 2 ½ was passed to place controls on the level and future growth of overall local property tax revenue.

Massachusetts residents got used to every 3rd year being a Revaluation Year. The expectation was that there would be a significant increase in the number of assessing agents, mostly data collectors, during the time leading up to revaluation. There was concern that with a revaluation, there was a greater chance that both valuations and tax bills would increase quite a bit. However, right from the start the intention was to create a system to equalize values to achieve uniform full and fair cash values. For properties that appreciated at a higher rate than others, there would be greater tax increases over time, which was to be expected, since these taxes were to be levied on property "according to value". Valuation schedules have to be tested on specific market or sales data and adjusted accordingly to reflect the changes that have taken place since the last revaluation. While to revalue property doesn't necessarily require recollecting all property data every 3 years, a periodic recollection every 5 to 10 years is state mandated and necessary to achieve appropriate property valuations.

Now a Revaluation takes place every 5th year, why does my tax bill usually have a different value every year? Over the past 4 decades, there have been both market increases and decreases, and these of course don't wait to happen for your next Revaluation. Thus, assessors began to make value adjustments more frequently as needed, until finally in the last 2 decades it was recognized and mandated by the state that valuations needed to be tested annually and adjusted if and as needed. For the property owners and for the assessors, this really means that every year is a revaluation year. Annual updates provide greater assurance that valuations are being equalized townwide annually and generally lessen the chance for greater tax bill sticker-shock. However, even if the market is flat, property changes such as improvements are included in property record annual updates and thus may result in a property value change. Also, most cities and towns will be sure to levy the 2 ½ % annually allowable overall limit increase, thus a minimum tax increase of 2 ½ % should be anticipated annually for every property.

The assessors recommend you familiarize yourself with the records and data they maintain on your property. Please inquire if you believe the data may be inaccurate. Errors on your property record can often best be reviewed and corrected proactively before the start of the next fiscal year's actual tax.
