## Agenda

1. Stormwater Implementation Community Forum

This is a meeting of the Franklin Town Council Sub-Committee; under the Open Meeting Law, this sub-committee is a separate "public body" from the Town Council. Therefore, unless the Town Council has separately noticed and posted its own meeting, Councilors who are not members of this sub-committee will not be permitted to speak or otherwise actively participate @ this meeting, although they may attend and observe. This prohibition is necessary to avoid the potential for an Open Meeting Law Violation.
