## Cultural District Planning Meeting

**When:** Thursday January 19, 2017, 7:00 to 8:30 p.m.

**Where:** Franklin Municipal Building  
355 East Central Street, Town Council Chambers

The Town of Franklin's Department of Planning and Community Development invites you to attend a meeting at 7:00 p.m. on January 19, 2017 to hear an update on plans for a Cultural District in Downtown Franklin.

The Cultural District Steering Committee has worked hard for more than two years to draw attention to Franklin's great cultural resources, advocate for creation of the Franklin Cultural District, and organize the annual Franklin Arts Festival.

The Committee and Town staff are looking for your input regarding the creation of a state designated Cultural District and related management issues, as well as support for ongoing and potential cultural activities.

Input and ongoing involvement of all Franklin organizations and individuals is desired to develop a strong partnership consisting of cultural organizations, historical and community organizations, non-profits, private businesses, government agencies, educational and faith based institutions, and individual artists. All are encouraged to participate in this partnership.

Anyone in need of additional information should contact the Town of Franklin's Department of Planning and Community Development.

We look forward to hearing from you.
