Re: **Bylaw 21-869 ALS/BLS & Mileage Rate Changes**

I am asking the Council to consider the passage of a revised fee schedule for ALS/BLS & Mileage rates in the Town's fees bylaw.

The Council last approved these fee increases last year in order for the Town to be in a position where we were in the middle of the pack for rates. The staff suggested at the time, at the recommendation of our billing service provider, the Town should be at least in the middle of area communities and we were, at the time, far below. Fast forward a year later, and we are now slightly below the middle of the pack and approval of this bylaw will allow us to be back in the middle and maintain market standards.

As all of you recall, the additional revenue the FD has raised through the ALS/BLS rates is supporting the sustainability of four new paramedics approved in the FY21 budget. We have concluded the interview process and hope to have those candidates sworn in at a Council meeting in March once the required background checks, exams and paperwork are complete.

I have included two activity reports from the Fire Department in the packet: the first report is from 4/1/2019 - 12/31/19 and the second report is from 4/1/20 - 12/31/20. In reviewing the reports you can see that the total charges in 2019 were \$2,598,377.90 from 1,582 billable transports and in 2020 the charges were \$3,294,250.47 from 1,409 transports. In summary, the Fire department charged \$695,872.57 more with 173 less billable transports in the 2020 year as compared to 2019.

These fee changes have proven very successful for the Fire Departments revenue, and we look to continue with annual updates to this fee bylaw.

The new proposed rates are as follows:

Ambulance Fees:		
ALS Base Rate 1	\$2,329.00	<u>\$2,420.00</u>
ALS Base Rate 2	\$3,420.00	<u>\$3,571.00</u>
BLS Rate	\$1,477.00	<u>\$1,553.00</u>
Mileage	\$36.12	<u>\$37.31</u>

If you have any additional questions please feel free to ask.
