Re: Bylaw Amendment 20-857: Chapter 82 Municipal Service Fees - Trash & Recycling Service Fees

We are requesting an increase in the annual curbside trash & recycling fee from \$248 a year to \$278 per year effective July 1, 2020. This amounts to a \$7.50 per quarter increase.

This increase is a direct result of the changes to the recycling market in China as previously described at Town Council meetings, as well as the Commonwealth's required prevailing wage increase of 18% on our trash and recycling contractor. These are factors of which the Town has little to no control. As history shows below, as the market changes so do the prices and we will keep an eye out in the future to see if costs can be reduced for the taxpayer. That said, this fee increase is required in order to pick up the trash and recycling curbside as we all know it on July 1st.

It is important to note, the annual fee for a resident is still \$22 a year lower than in 2005.

I have also included a breakdown of cart totals in town for FY20. See below.

CURBSIDE TRASH FEES HISTORY

FY05	\$300	FY13	\$204	FY21	\$278 Proposed
