## Memorandum

February 27, 2020

To: Town Council

From: Jamie Hellen, Town Administrator

**Re: Zoning Bylaw Amendments 20-849, 20-850 & 20-851**

---

The Council has had the public hearings and has considered the first readings of three zoning bylaw proposals that passed unanimously at the EDC and when referred to the Planning Board they were also passed unanimously.

I have attached the backup material and memos from the Community Planning Department.

If you have any additional questions please feel free to ask.

**RE:** ZONING BY-LAW AMENDMENT 20-849: CHANGES TO GROUND-MOUNTED SOLAR ENERGY SYSTEM USE REGULATIONS, AND USE REGULATIONS SCHEDULE UPDATES

**CC:** JAMIE HELLEN, TOWN ADMINISTRATOR; FRANKLIN PLANNING BOARD; MARK CEREL, TOWN ATTORNEY; GUS BROWN, ZONING ENFORCEMENT; AMY LOVE, TOWN PLANNER; CHRISSEY WHELTON, ASSISTANT TO THE TOWN ADMINISTRATOR

**DATE:** JANUARY 14, 2020

---

As requested by Town Administration the Department of Planning and Community Development (DPCD) has developed a zoning bylaw amendment intended to limit the number of large Ground-mounted Solar Energy Systems within the Town's residential areas. Several small changes are being proposed related to where in Town ground-mounted solar energy systems may be allowed. In addition, the proposed zoning bylaw amendment revises/updates the Use Regulation Schedule in several places. Zoning Bylaw Amendment 20-849 is attached for consideration. A summary of the proposed changes are below.

### **Ground-mounted Solar-related Changes Proposed**

The Zoning Bylaw Amendment will change the "Large-scale Ground-mounted Solar Energy System" use from may be allowed by Planning Board special permit (PB) to not allowed (N) in three zoning district categories (3 columns in Use Regulation Schedule Part III [Attachment 4]). If these changes are approved the Large-Scale Solar use would only be allowed in the Industrial zoning district.

The above mentioned changes would substantially limit the areas in Town that can be developed by Large-Scale Solar projects, but there would still be a chance that adjacent residential properties or Scenic Roadways could be negatively impacted by Large-Scale Solar projects. For that reason DPCD recommends additional regulation by adding the following note to Use Regulation Schedule Part III:

10. No Medium-scale or Large-scale Ground-mounted Solar Energy Systems on parcels within or adjacent to residential Zoning Districts shall be located nearer to the lot lines than seventy-five (75) feet.

### **Additional Updates Proposed**

There are currently several small revisions/updates needed to Parts I, III and VII of the Use Regulations Schedule. These changes are "housekeeping" issues, and do not change the Zoning Bylaw's use regulations.

During the 2018 and 2019 fiscal years, several Zoning Bylaw Amendments were approved at roughly the same time. Some took several months to get through the amendment process, some were quickly developed and approved, and the Mixed Business Innovation Zoning District (MBI) amendments were drafted in 2017, put on hold for roughly a year, and finally approved in March 2019. The list below provides a description of where the updates are needed:

1. The MBI use regulations amendment (18-830) was approved without adding into the Use Regulations Schedule the uses that had already been added (or amended) when Amendments 18-810, 18-811 and 18-812 (ground mounted solar) and 18-816 (Poultry) were approved. So there are a few blank cells in the use tables in the MBI column.
2. Amendments 18-812 and 18-816 each added an A19 use to Attachment 8.
  - a. Amendment 18-816's A19 use should have been A20.
3. Amendments 18-812 and 18-816 each added a Note 5 to Attachment 8.
  - a. Amendment 18-816's note should have been Note 7.
4. Amendments 18-812 and 18-830 each added a Note 8 to Attachment 4.
  - a. Amendment 18-830's note should have been Note 9.

If Council members support the proposed use regulations changes, I request the Town Council vote to refer Zoning Bylaw Amendment 20-849 to the Planning Board for a Public Hearing. Please let me know if you have questions or require additional information.
