RE: Temporary Passes at Beaver Street Recycling Center

A few years ago we instituted on a trial basis a \$10 fee for a two week pass at the recycling center. The Council did not officially adopt a fee at that time. We are now on our second year and during the trial period there have been about 240 stickers sold per year. By way of comparison we sell about 2,500 annual stickers.

The feedback from the staff is that most of the temporary stickers are folks cleaning out their house prior to moving.

At this point it seems we should either cancel the program due to the low utilization or adopt a fee of \$25 for a 10 day sticker.

I am happy to answer any questions you may have.
