Winter Farmers' Market at Fairmount Fruit Farm
COVID 19- Operating Procedures for 2020
Effective beginning **opening day Nov. 21st** until further notice

The following is a list of rules and precautions to be taken at the Winter Farmers' Market due to the special circumstances caused by the Covid19 pandemic. These rules are intended to protect the safety of staff, vendors and customers visiting the market and have been placed by the Department of Health in MA as well as the Franklin BOH.

Rules and Regulations:

- Vendors shall have clear signage listing all items available for sale along with pricing. Chalkboards or white boards are examples of possible signs.
 - An empty table is recommended at the front of every vendor. The staff person may place the customer's purchase on that table for the customer to retrieve. This will eliminate the direct contact between staff and customer.
- No product samples.
- All product displays must be able to be sanitized and regular cleaning of displays shall be conducted throughout market hours.
- All vendors are to have hand sanitizer at their stand.
 - There will be hand sanitizer and hand washing stations available outside the greenhouse.
 - Patrons will be required to wash hands before entering the greenhouse.
- Face coverings **are required** by all staff and customers per the Governor's order.
- Signs, provided by the market manager, will be placed around areas of the greenhouse reminding patrons to practice social distancing and wear face coverings.
- **If possible**, two employees are recommended in a tent. One would be able to handle product and the other payment. This eliminates contamination between payment and products. **This is preferred but not required.**
- There will be a single entrance and exit into the market areas. Space between vendor tents will be blocked off to prevent passing into the market area.
- Approximately **30 people** will be allowed into the market area at one time. This number will be adjusted by the market manager if long lines are accruing at specific vendor locations.
 - Congregating and socializing inside the market area will not be allowed.
- If any vendor/staff member is sick or has been recommended to quarantine, **they are not allowed to attend the market**. The market manager shall be notified vendors as soon as possible if the vendor is to be absent from the market.
- Preorders for quick pickup are welcome and encouraged. This makes for less contamination.
- A portable toilet will be available for use by vendors/staff only. Sanitation requirements will be posted on the facility and must be followed by all staff.

Thank you all for understanding and your continued patience. We will get through this together. Any questions, comments or concerns, please feel free to email us at fairmountfruitfarmprograms@gmail.com.
