Current Occupation/Employer: Artist/ Self employed

Narrative: I am available to help 10-15 hours a week unless more is required for specific events and projects. I am visual Artist and have painted for over 15 years although I have started sharing more publicly more recently. I feel that my passion for art will bring a wonderful element to Franklin and give the Arts a boost here. I have lived in Natick for 13 years before this. Natick has a wonderful Art everywhere and the community loves and supports it. I believe that more visual art could be beneficial and an incredible addition to the beautiful town of Franklin.
