**Current Occupation/Employer:** Retired conductor, music educator

---

**Narrative:** I have time to do this now since I am not working (at least not full time). Currently I am writing two books and doing some guest conducting here and there. Though somewhat professionally active, I retired four years ago and have Professor Emeritus status from University of Massachusetts Boston. I believe that my education and experience (43 years in the music education profession--36 at the college level--10 professional CDs, 6 1/2 books, etc.) would help serve the community. I recently received the CODA (College Orchestra Directors Association) Lifetime Achievement Award, though certainly know that my lifetime isn't over yet.
