MEMORANDUM

TO: JAMIE HELLEN, TOWN ADMINISTRATOR
FROM: BRYAN W. TABERNER, AICP, DIRECTOR
RE: PROPOSED ZONING BYLAW AMENDMENT 19-842. IMPERVIOUS COVERAGE
IN WATER RESOURCE DISTRICT
CC: MARK CEREL, TOWN ATTORNEY; AMY LOVE, PLANNER;
GUS BROWN, BUILDING COMMISSIONER, CHRISSY WHELTON
DATE: MAY 29, 2019

It has been brought to the attention of Department of Planning and Community Development (DPCD) and other Town staff that there is discrepancy in Franklin's Zoning Bylaw between Sections 185-40.D(1)(l)(ii) and 185-40.D(3)(a). The discrepancy was created in 2013 with approval of Zoning Bylaw Amendment 13-703, which added new language to Section 185-40.D.(1); at that time Section 185-40.D(3)(a) should have been deleted.

Section 185-40.D(1)(l)(ii) allows for impervious coverage up to 80% of upland area of a lot located within the Water Resource District for nonresidential uses.

Section 185-40.D(3)(a) states any use that will render impervious more than 15% or 2,500 square feet of any lot, whichever is greater, requires a special permit.

Zoning Bylaw Amendment 19-842 would remove subsection 185-40.D(3)(a), and re-letter the remaining subsections in 185-40.D(3); these changes eliminate the discrepancy between Sections 185-40.D(1) and 185-40.D(3).

In addition, small changes are proposed for Section 185-40.D(1)(l)(ii); this Subsection does not currently address residential uses within a nonresidential zoning district. The proposed changes would address the issue by treating all development in nonresidential zoning districts the same regardless of use.

If Town Council supports the proposed changes, DPCD recommends they refer Zoning By-law Amendment 19-842 to the Planning Board for a Public Hearing. Please let me know if you have questions or require additional clarification.
