FOR IMMEDIATE RELEASE

November 26, 2019

Franklin, Massachusetts: On Monday November 25th, 2019 at approximately 7:40am the Franklin Police School Resource Officer assigned to the Tri Country Regional Vocational Technical High School on Pond Street was notified of a threatening message which had been discovered in one of the girl's bathrooms.

School administrators and the SRO immediately began an investigation. School staff interviewed students, and reviewed CCTV video of the area. It was quickly determined that no credible threat to the school existed, and the school day was not disrupted.

School administrators sent a message to families of all students advising them of the incident.

At this time there are no pending criminal charges against any person, and the school staff is continuing to look into the source of the message. The Franklin Police will continue to monitor the investigation, and provide assistance to school administrators as requested.
