**PROCLAMATIONS/RECOGNITIONS:** *None.*

**CITIZEN COMMENTS:** *None.*

**APPOINTMENTS:** *None.*

**HEARINGS:** *None.*

**LICENSE TRANSACTIONS:** *None.*

**SUBCOMMITTEE REPORTS:**

1. **Capital.** ► Mr. Dellorco stated no updates at this time.
2. **Budget.** ► Mr. Padula stated no updates at this time.
3. **Economic Development.** ► Mr. Mercer stated the April EDC meeting was just completed. He said they will be coming forward with a few items at the next Town Council meeting; the subcommittee continues to move through the many agenda items that the Town Council keeps sending to them.

**LEGISLATION FOR ACTION:**

1. **Resolution 18-17: Acceptance of Gift – Franklin Cultural Council (Motion to Move Resolution 18-17 – Majority Vote (5)).** Mr. Jones read the resolution. ► **MOTION** to Move Resolution 18-17: Acceptance of Gift of \$500 from the Middlesex Savings Bank for the Franklin Cultural Council by Mercer. **SECOND** by Padula. **No Discussion.** ► **VOTE: Yes-9, No-0, Absent-0.**

This increase is only for the large 65-gallon trash cart; the 35-gallon trash cart fee will not increase. ► Town Council members asked questions and discussed trash service, trash fees, and trash barrel maintenance. ► Mr. Nutting stated he thinks the trash containers will last 20 years. ► **VOTE: Yes-9, No-0, Absent-0.**

**TOWN ADMINISTRATOR'S REPORT:** ► Mr. Nutting stated ArtWeek kicks off April 27, 2018, at 6:00 PM at the Historical Museum; all are welcome. There is a list of planned activities. ► The budget is going to the printer. For the first time that he can remember, they are forced to use the rainy-day account to balance the budget; this has not been done in over a decade. It is something that can be done one year, but it is not a sustainable model. He is going to ask the Town Council to consider drawing down the account \$1.5 million; there is \$1.8 million in the account. With a new Town Council, new School Committee, new superintendent, new comptroller, and a lot of new folks, we could buy ourselves a year, keep staffing as it currently is, and give everyone an opportunity to see the pathway forward for FY 2020. He stated it is not ideal, but he thinks it is the right way for this year. He wanted to give everyone a heads up on this.

**FUTURE AGENDA ITEMS:** ► Mr. Casey asked Mr. Nutting if the town has been reimbursed for the Elizabeth Warren town hall; how long will it take her campaign to send the town the money? ► Mr. Nutting stated that was 100 percent a school issue; the school rents the school facilities and he has nothing to do with it. He stated he will find out from the superintendent. ► Mr. Casey asked about the opioid lawsuit. He stated it is a mass tort litigation and many towns in the state are jumping into this. He thought it would be in Franklin's best interest to join this litigation, so the town could get reimbursed for money spent on EMS trips for overdoses as well as police and fire that have to show up for these tragic cases. He stated it will not cost the town a penny as the attorneys front the money and they get paid if they are successful with the case; they take a percentage from what the town earns back from the settlements. He thinks this is a question for Mr. Cerel and Mr. Nutting and asked if they can reach out to these attorneys to see if it is something Franklin would want to join. ► Mr. Nutting stated they are going to a seminar at the end of the month on the matter; he would be better prepared at the next meeting to address this. ► Mr. Dellorco asked for an update on the West Street area and the Dean parking situation. ► Mr. Nutting stated this would be on the May agenda. There will be a neighborhood meeting on this during the last week in April with the neighbors, police chief, and the town engineer. He will send out a notice to the Town Council.

**COUNCIL COMMENTS:** ► Mr. Casey said great job to the Franklin Cultural Council for Arts Advocacy Day this past weekend. He stated the Ben Franklin books were displayed back at the Franklin Library; this was a great event this past weekend. ► Mr. Dellorco gave his condolences to the Sewell family. ► Mr. Earls noted a meeting he would be attending to discuss creating a Franklin technology committee. ► Ms. Pellegrini announced appraisal day at the museum on Sunday, April 22, 1:00-3:00 PM. People are invited to bring in one to three items to be appraised. It is a major fundraiser for the Friends of the Franklin Historical Museum. She stated the Franklin Senior Center Open House is April 21, 10:00-1:00 PM, with tours, raffles, refreshments and more; kudos to Karen Alves at the Senior Center. ► Mr. Padula gave condolences to the Sewell family. ► Mr. Jones stated he and other Town Council members attended Arts Advocacy Day; it was a good event with good information provided. He gave condolences to the Sewell family. ► Mr. Mercer gave condolences to the Sewell family. He stated Arts Advocacy Day was very well attended. He noted the unveiling of the Ben Franklin books at the Franklin Library; it was a good event.

**PRESENTATIONS/DISCUSSIONS:** ► *Legislative Update – Senator Karen Spilka, Representative Jeffrey Roy, Senator Richard Ross.* ► Representative Roy stated he received a call from Senator Spilka; she would not be attending tonight due to not feeling well. She would like to return to the Town Council at another time. He stated Senator Ross is on his way to this meeting. Representative Roy stated the House released its budget today at noon and will be debating the \$40.9 billion budget the week after next. He provided information from the budget. He stated they will be pushing for an increase in Chapter 70 aid; Chapter 70 funding has increased 26 percent since 2011, to get money to local communities. He stated Franklin has usually benefitted quite well from Chapter 70 funding. He stated this week students

from Franklin High School were lobbying for Tobacco 21 legislation to create state law that tobacco sales should not be made to anyone under 21. Franklin is one of 180 communities that have raised the sale of tobacco to age 21; they are now trying to do it at the state level. He noted the Ben Franklin books and the Franklin Library were featured on *Chronicle*. He discussed some of the budget items and grants Franklin has received such as \$100,000 for the opioid epidemic for support services. ► Senator Ross entered the meeting and greeted the Town Council. ► Representative Roy continued his presentation noting money received by Franklin including \$65,000 for new fire fighter headsets to help prevent hearing loss. He noted money for the Horace Mann statute and Horace Mann park, as well as \$1 million from the environmental bond bill for trails. He noted a \$275,000 grant for the Black Box theater, \$25,000 for the Charles River meadow lands to develop into a walking trail and wilderness location, \$5,000 for the Historical Museum, as well as funding for other items and uses throughout Franklin. He stated Massachusetts has come out again as number one for education throughout the United States; last year it was announced that Massachusetts was number one in the world for education. He stated that no country outranked Massachusetts in reading; in science only, Singapore outscored Massachusetts. He provided additional education statistics. He stated that 41 percent of the \$40.9 billion budget is dedicated to Mass Health. He noted the effort to upgrade the rails for the commuter rail service on the weekends. ► Senator Ross stated all the items Representative Roy cited did not occur on their own; they are nurtured by people. He spoke of the debt of Mount Ida College. He stated he was coming from the Ethics Committee which has been meeting regularly to discuss the Rosenberg situation in the Senate. He noted one of the earmarks they are requesting in the budget is \$90,000 for the construction of the War Memorial in the Town Common. As well, he noted \$200,000 for the King Street Memorial Park improvements for basketball court, replacing playground, and other improvements. He spoke about the Metacomet emergency communications center. ► Representative Roy stated he has become the acting chair of the Health Care Financing Committee; they are reviewing 350 health care finance bills. He hopes to increase access to care and reduce costs. ► Mr. Dellorco thanked the presenters for always returning their phone calls. ► Mr. Jones asked questions about the animal cruelty registry. ► Chairman Kelly thanked the presenters for attending the meeting.

**EXECUTIVE SESSION:** *None.*

**ADJOURN: MOTION to Adjourn by Mercer. SECOND by Jones. No Discussion. ► VOTE: Yes-9, No-0, Absent-0. Meeting adjourned at 7:56 PM.**

Respectfully submitted,

---

Return no action. This application is missing quite a bit of information. The form is not filled out correctly. Made several contacts with the contact person, Marty Fredericks, attempting to fix this situation. My last contact with her was that she was going to have an attorney contact me. I have not heard from anyone for about two weeks. I think they should redo the application at the local board and resubmit for reconsideration.

To acquire by purchase and subscription, or otherwise, to hold for investment or otherwise, to use and to sell, assign, transfer, mortgage, pledge, or otherwise dispose of, any stock, bonds, or other securities or evidences of indebtedness of any corporation, whether of the Commonwealth of Massachusetts, or of any other state, territory, or country, and while owner thereof to exercise all the rights, powers and privileges of ownership, including the right to vote upon any stock so acquired; to aid in any manner any corporation whose stock, bonds or other obligations are held or in any manner guaranteed by the corporation, and to do any other acts or things for the preservation, protection, improvement, or enhancement of the value of any such stock, bonds, or other obligations, or to do any other acts or things designed for such purpose.

To be a partner in any partnership and to do any and all things and to exercise any and all powers which a partner or a partnership or a natural person could do and exercise as principal, agent, partner, contractor or otherwise in furtherance of these purposes, as now or hereafter may be authorized by the laws governing business corporations.

CONTINUATION SHEET 6A

1. The board of directors is authorized and empowered from time to time, in its discretion, to make, amend or repeal the by-laws, in part or in whole, except with respect to any provision thereof which by law or the by-laws requires action by the stockholders.

2. The board of directors shall have full power and authority to determine the terms and manner of issue, including, but not limited to, the consideration therefor, and to issue or cause the issue of all shares of capital stock of the Corporation now or from time to time hereafter authorized.

3. Meetings of stockholders may be held outside the Commonwealth of Massachusetts at such location within the United States as the board of directors may determine. The books of the Corporation may be kept (subject to any provision contained in the statutes) at such place or places within the Commonwealth of Massachusetts as may be designated from time to time by the board of directors or in the by-laws of the Corporation. Election of directors need not be by ballot unless so requested by any stockholder entitled to vote thereon.

4. Each director and each officer elected by the stockholders (including persons elected by directors to fill vacancies in the Board of Directors or in any such offices), and each former director or officer, and the heirs, executors, administrators and assigns of each of them, shall be indemnified by the Corporation against all costs and expenses, including fees and disbursements of counsel and the cost of settlements (other than amounts paid to the Corporation itself) reasonably incurred by or imposed upon him in connection with or arising out of any action, suit or proceeding, civil or criminal, in which he may be involved by reason of his being or having been an officer or a director of the Corporation, or by reason of his serving or having served at its request with respect to any employee benefit plan, or by reason of any action alleged to have been taken or omitted by him as a director or an officer of the Corporation, or by reason of his serving or having served at its request with respect to any employee benefit plan.

Officers elected by the directors but who are not directors, or persons serving at its request with respect to any employee benefit plan, and employees and other agents of the Corporation (including persons who serve at its request as directors or officers of another organization) and each such former officer,

person serving with respect to any employee benefit plan, employee and agent, and the heirs, executors, administrators and assigns of each of them, may be indemnified by the Corporation to whatever extent authorized by the Board of Directors.

No indemnification shall be provided to any person, or to his heirs, executor, administrator or assigns, with respect to any matter as to which he shall have been finally adjudicated in any action, suit or proceeding not to have acted in good faith in the reasonable belief that his action was in the best interests of the Corporation or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

The Corporation may pay the expenses incurred by a director, officer, employee or person serving with respect to an employee benefit plan in defending any such action, suit or proceeding in advance of the final disposition thereof, upon receipt of an undertaking by the person indemnified to repay such payment if he shall be adjudicated to be not entitled to indemnification as provided in this Article 6, which undertaking may be accepted without reference to the financial ability of such person to make repayment.

Without limiting the generality of the foregoing, no director or officer of the Corporation shall be liable to any person on account of any action undertaken by him as such director or officer in reliance in good faith upon information, opinions, reports or records, including financial statements, books of account and other financial records, in each case presented by or prepared by or under the supervision of (1) one or more officers or employees of the Corporation whom the director or officer reasonably believes to be reliable and competent in the matters presented, or (2) counsel, public accountants or other persons as to matters which the director or officer reasonably believes to be within such person's professional or expert competence, or (3) in the case of a director, a duly constituted committee of the board of directors upon which he does not serve, as to matters within its delegated authority, which committee the director reasonably believes to merit confidence.

The foregoing indemnification shall not be exclusive of any other rights or indemnification for which any such director, officer, employee or agent may be entitled.

The board of directors may purchase and maintain insurance on behalf of any person who is or was a director, officer, trustee, employee or other agent of the Corporation, or is or was serving at the request of the Corporation with respect to

any employee benefit plan or as a director, officer, trustee, employee or other agent of another corporation of which the Corporation is or was a stockholder or creditor, against any liability incurred by him in any such capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability.

5. The directors shall have the power to fix from time to time their compensation. No person shall be disqualified from holding any office by reason of any interest. In the absence of fraud, any director, officer or stockholder of the Corporation individually or any individual having any interest in any concern which is a stockholder of the Corporation, or any concern in which any of such directors, officers, stockholders or individuals has any interest, may be a party to, or may be pecuniarily or otherwise interested in, any contract, transaction or other act of the Corporation, and

- (1) such contract, transaction or act shall not be in any way invalidated or otherwise affected by that fact;
- (2) no such director, officer, stockholder or individual shall be liable to account to the Corporation for any profit or benefit realized through any such contract, transaction or act; and
- (3) any such director of the Corporation may be counted in determining the existence of a quorum at any meeting of the directors or of any committee thereof which shall authorize any such contract, transaction or act, and may vote to authorize the same;

provided, however, that any contract, transaction or act in which any director or officer of the Corporation is so interested individually or as a director, officer, trustee or member of any concern which is not a subsidiary or affiliate of the Corporation, or in which any directors or officers are so interested as holders, collectively, of a majority of shares of capital stock or other beneficial interest at the time outstanding in any concern which is not a subsidiary or affiliate of the Corporation, shall be duly authorized or ratified by a majority of the directors who are not so interested, to whom the nature of such interest has been disclosed and who have made any findings required by law;

the term "interest" including personal interest and interest as a director, officer, stockholder, shareholder, trustee, member or beneficiary of any concern;

the term "concern" meaning any corporation, association, trust, partnership, firm, person or other entity other than the Corporation; and

the phrase "subsidiary or affiliate" meaning a concern in which a majority of the directors, trustees, partners or controlling persons is elected or appointed by the directors of the Corporation, or is constituted of the directors or officers of the Corporation.

To the extent permitted by law, the authorizing or ratifying vote of the holders of a majority of the shares of each class of the capital stock of the Corporation outstanding and entitled to vote for directors at any annual meeting or a special meeting duly called for the purpose (whether such vote is passed before or after judgment rendered in a suit with respect to such contract, transaction or act) shall validate any contract, transaction or act of the Corporation, or of the board of directors or any committee thereof, with regard to all stockholders of the Corporation, whether or not of record at the time of such vote, and with regard to all creditors and other claimants under the Corporation; provided, however, that

- A. with respect to the authorization or ratification of contracts, transactions or acts in which any of the directors, officers or stockholders of the Corporation have an interest, the nature of such contracts, transactions or acts and the interest of any director, officer or stockholder therein shall be summarized in the notice of any such annual or special meeting, or in a statement or letter accompanying such notice, and shall be fully disclosed at any such meeting;
- B. the stockholders so voting shall have made any findings required by law;
- C. stockholders so interested may vote at any such meeting except to the extent otherwise provided by law; and
- D. any failure of the stockholders to authorize or ratify such contract, transaction or act shall not be deemed in any way to invalidate the same or to deprive the Corporation, its directors, officers or employees of its or their right to proceed with such contract, transaction or act.

No contract, transaction or act shall be voided by reason of any provision of this paragraph 5 which would be valid but for such provision or provisions.

6. In furtherance, and not in limitation, of the purposes enumerated in Article 2 hereof, the Corporation shall have all the powers conferred by the laws of The Commonwealth of Massachusetts, provided that no such power shall be exercised in a manner inconsistent with the Business Corporation Law or any other applicable provision of Massachusetts law.

7. Except as may be otherwise provided herein, the Corporation reserves the right to amend, alter, change or repeal any provision contained in these articles of organization in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders herein are granted subject to this reservation.

8. No stockholder shall have any right to examine any property or any books, accounts or other writings of the Corporation if there is reasonable ground for belief that such examination will for any reason be adverse to the interests of the Corporation, and a vote of the directors refusing permission to make such examination and setting forth that in the opinion of the directors such examination would be adverse to the interests of the Corporation shall be prima facie evidence that such examination would be adverse to the interests of the Corporation. Every such examination shall be subject to such reasonable regulations as the directors may establish in regard thereto.

9. The directors may specify the manner in which the accounts of the Corporation shall be kept and may determine what constitutes net earnings, profits and surplus, what amounts, if any, shall be reserved for any corporate purpose, and what amounts, if any, shall be declared as dividends. Unless the board of directors otherwise specifies, the excess of the consideration for any share of its capital stock with par value issued by it over such par value shall be paid-in surplus. The board of directors may allocate to capital stock less than all of the consideration for any share of its capital stock without par value issued by it, in which case the balance of such consideration shall be paid-in surplus. All surplus shall be available for any corporate purpose, including the payment of dividends.

10. The purchase or other acquisition or retention by the Corporation of shares of its own capital stock shall not be deemed a reduction of its capital stock. Upon any reduction of capital or capital stock, no stockholder shall have any right to demand any distribution from the Corporation, except as and to the extent that the stockholders shall have provided at the time of authorizing such reduction.

11. The Corporation may carry on business operations or activities through a wholly or partly owned subsidiary and may be a partner in any business enterprise which it would have power to conduct by itself.

12. The directors of the Corporation shall be divided into three classes, Class A, Class B and Class C. Each class shall consist of one-third of the number of directors and the members of each such class shall be elected to hold office (except for the initial Class A and Class B directors) until the annual meeting of the stockholders occurring in the third calendar year following the calendar year in which they are elected.

Article 6 is hereby amended to add a new paragraph 13. to provide as follows:

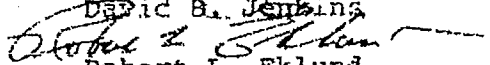

13. No Director shall be personally liable to the Corporation or any stockholder for monetary damages for breach of fiduciary duty as a director, except, in addition to any and all other requirements for such liability, (i) for any breach of such director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) to the extent provided under Section Sixty One or Sixty Two of Chapter 156B of the Massachusetts General Laws, or (iv) for any transaction for which such director derived an improper personal benefit. Neither the amendment nor repeal of this paragraph nor the adoption of any provision of these Articles of Organization inconsistent with this paragraph shall reduce or eliminate the effect of this paragraph in respect of any matter occurring, or any cause of action, suit or claim that, but for this paragraph, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

The foregoing amendment will become effective when these articles of amendment are filed in accordance with Chapter 156B, Section 6 of The General Laws unless these articles specify, in accordance with the vote adopting the amendment, a later effective date not more than thirty days after such filing, in which event the amendment will become effective on such later date.

## INTRODUCTION

Where there is no law, but every man does what is right  
In his own eyes, there is the least of liberty.  
---General Henry M. Robert

In order for the Franklin Town Council to function in an orderly fashion, it must be able to meet, discuss, deliberate, debate and vote on the issues that are brought before it. These group discussions and group actions, like group games, require rules, guidelines and procedures to allow for the free and orderly flow of discussion and deliberation. *The Procedures Manual of the Franklin Town Council* was developed to provide such direction to the Council in its deliberations.

*The Procedures Manual of the Franklin Town Council* has important bearing on the rights, duties, and obligations of the members of the Town Council, as well as on the degree to which the Council membership is to maintain control of the business of the Council. The members of the Council, attending one of its regular or properly called meetings, have full and full and sole power to act for the entire Council, and do so by majority vote, unless dictated otherwise by *Massachusetts General Law*, *the Franklin Town Charter*, or *The Procedures Manual of the Franklin Town Council*.

By the adoption of *The Procedures Manual of the Franklin Town Council* by the Franklin Town Council, the rules within it, together with *Massachusetts General Law* and *The Franklin Town Charter*, are binding upon the Council and constitute the Franklin Town Council's rules or order.

Because no deliberative assembly should attempt to transact business without having adopted some standard manual on the subject of its authority in all cases not covered by its own special rules, The Franklin Town Council adopts *Robert's Rules of Order, Revised* as its standard manual of parliamentary procedure.

## **ROLE OF THE FRANKLIN TOWN COUNCIL**

- 1. A member of the Council, in relation to his or her community should:**
  - A. Realize that his or her basic function is to make policy, with administration delegated to the Town Administrator.
  - B. Realize that he or she is one of a team and should abide by, and carry out, all Council decisions once they are made.
  - C. Be well informed concerning the duties of a Council member on both local and state levels.
  - D. Remember that he or she represents the entire community at all times.
  - E. Accept the office as a means of unselfish service, not benefit personally or politically from his or her Council activities.
  - F. In all appointments, avoid political patronage by judging all candidates on merit, experience, and qualifications only.
  - G. Abide by the ethics established by the State and not use the position to obtain inside information on matters, which may benefit someone personally.
  
- 2. A member of the Council, in his or her relations with Administrator should:**
  - A. Endeavor to establish sound, clearly defined policies that will direct and support the administration for the benefit of the people of the community.
  - B. Recognize and support the administrative chain of command and refuse to act on complaints as an individual outside the administration.
  - C. Give the Administrator full responsibility for discharging his or her disposition and solution.

**3. A member of the Council, in his or her relations with fellow Council members, should:**

- A. Recognize that action at official legal meetings is binding and that he or she alone cannot bind the Council outside of such meetings.
- B. Not make statements or promises of how he or she will vote on matters that will come before the Council until he or she has had an opportunity to hear the pros and cons of the issue during a Council meeting.
- C. Uphold the intent of executive session and respect the privileged communication that exists in executive session.
- D. Make decisions only after all facts on a question have been presented and discussed.
- E. Treat with respect the rights of all members of the Council despite differences of opinion.

## 4. PUBLIC POSTINGS

Public notices of all Council meetings, except in emergencies, must be filed with and posted by the Town Clerk a minimum of 48 hours before any meeting, as provided in the Open Meeting Law G.L. Ch. 30A, §§18-25 and the Attorney-General's Regulations. Notices shall also be posted on Town's website.

## 5. MINUTES

Minutes of all Council meetings must be placed on file in the office of the Town Clerk where they will be available for public inspection upon request; minutes shall also be posted on Town's website.

## 6. THE CHAIR -- POWERS AND DUTIES

The Chair, or Vice Chair in the absence of the Chair, shall take the chair at the hour appointed for the Council to meet and shall immediately call the members to order. In the absence of the Chair, the Vice Chair shall assume the role of Chair pro tem. In the event both the Chair and Vice Chair are absent, the Council Members present shall vote to designate one of their members to act as Chair.

## 7. PRESERVATION OF DECORUM AND ORDER AND APPEALS FROM DECISION OF THE CHAIR

The Chair shall preserve decorum and order, may speak to points of order in preference to other members and shall decide all questions of order.

## **8. THROUGH CHAIR**

## **10. ADDRESSING THE CHAIR**

Every member speaking to a question or making a motion shall address the Chair as "Mr./Madame Chair," who shall thereupon pronounce the name of the member entitled to the floor. Members addressing the Council shall confine themselves to the question under debate and avoid personalities; nor shall there be any conversation among the members while a question is being stated, while a member is speaking, or a paper is being read.

## **11. CHAIR MAY SPEAK**

The Chair may participate fully in all Council deliberations; the Chair may speak in favor of, or in opposition to, any motion and will be bound by the same rules as those which are applied to other speakers; i.e., speaking once for no more than three minutes, and not to speak again until all others who wish to speak have spoken once.

## **12. CITIZENS COMMENTS**

The Franklin Town Council encourages citizens to attend its meetings and welcomes their views on matters of local governance. Anyone may comment at this time for up to five minutes. The Council will not engage in dialogue with the audience. However, the Council will give your remarks appropriate consideration.

Citizens present who wish to speak on an agenda item may do so after all Councilors who wish to speak on the item have spoken. Those citizens who wish to speak shall be limited to one three-minute response. [SEE ALSO CHARTER: 2-5-3].

## **13. POINT OF ORDER**

Any Councilor on being called to a point of order shall cease debate until the point of order is decided, unless allowed by the Chair to explain.

## **14. ELECTION OF OFFICERS**

Council Officers shall be elected at the first Council meeting following a regular town election, as provided in Town Charter Section 2.3.1 and at the first Council Meeting in November in a non-election year. A majority vote of all members elected to the Council (5) shall be required to elect a Chair, Vice Chair, and Clerk.

## **15. MANNER OF VOTING**

All questions shall be stated and put by the Chair. In any matter requiring more than a simple majority vote for passage, either: a unanimous voice vote shall be required and the Chair shall so declare or a roll call vote shall be taken. In case of a roll call vote, the Chair shall declare the result, after the Clerk has

announced the number voting on each side. The results of viva voce votes shall be declared by the Chair without reference to the Clerk. Where the result of a voice vote is in doubt, the Chair may, and on demand of any member, shall take a roll call vote. It shall not be in order for members to explain their votes during the call of the roll.

## **16. VOTE REQUIREMENTS**

All votes on by-laws shall be by roll call [Charter: 2-6-5].

For other actions requiring a by-law [see Charter: 2-7-1].

All action taken by the Town Council requiring a vote will be by a simple majority (majority of Councilors present and voting) unless otherwise provided for in the Massachusetts General Laws, Home Rule Charter, By-laws, or by Rules set forth in the Procedures Manual of the Franklin Town Council.

Resolutions require a simple majority.

In case of a tie in votes on any proposal, the proposal shall be considered lost.

Passage of a general town by-law requires a majority vote of the full Council (5). Vote is by roll call [Charter: 2-6-4 and 2-6-5].

Passage of a zoning by-law requires two-thirds vote of the full Council (6). Vote is by roll call [MGL Ch. 40A, Sec.5].

A properly protested\* Zoning By-law requires a three-quarters vote (7) of the full Council. Vote is by roll call. [\*Properly protested = written protest filed by owners of at least 20% of affected land area; or, of adjacent land 300 feet therefrom: [MGL Ch. 40A, Sec. 5].

An Emergency By-law requires a two-thirds vote of the full Council (6). Vote is by roll call [Charter: 2-6-3]. Two votes are needed: One on the emergency [2/3 vote of the full Council (6)], and one on the By-law [2/3 vote of the full Council (6)].

To take money from the Stabilization Fund for any municipal expenditure requires a two-thirds vote of the Council membership (6) [MGL Ch. 40, Sec. 5b].

Unpaid bills require 2/3 vote (Councilors present and voting) [MGL Ch. 44, Sec. 64].

Other business may be conducted if the Council has a quorum, and may be passed by a majority of the quorum [Charter: 2-5-2].

Any Rule, Regulation, or other local legislation which provides for the imposition of any fine or penalty shall be provided for by the adoption of a By-law.

The Chair may require that a vote be taken on any item before the Council if failure to do so would make the item illegal to adopt because of the expiration of a federal or state mandated time limit or similar circumstance.

## **17. READINGS**

Every By-law, unless rejected, shall have two separate readings and shall be voted only after two separate readings; the second of said readings and votes will not be less than fourteen days after the first, except in cases in which a shorter period is authorized by law. Any order rescinding or amending a By-law shall require the same number of readings and of votes as was required for the passage of the original By-law.

In order to expedite the Council's deliberations when considering a lengthy proposed By-law, when the reading of said proposed By-law has been waived, in order to inform the public of the subject matter, a brief summary of the substance of the proposed By-law will be provided by Town Administrator, a Council Member, or bylaw's sponsor.

#### **18. RESUBMISSION**

When any measure has been finally rejected by the Council, no motion embodying substantially the same subject shall be presented to the Council within six months of its previous writing for resubmission, unless resubmission is approved by a two-thirds majority vote of the full Council or as otherwise provided by the Charter or Massachusetts General Law; this procedure may only be employed once per measure per legislative session.

A zoning by-law which is voted down may not only be reconsidered within two years unless the Planning Board makes a recommendation to do so, [MGL Ch. 40A, Sec. 5].

#### **19. SPONSOR ABSENCE**

In the event that the sponsoring member of any order, resolution, or other matter is not present when the Clerk reads said matter, the Chair shall instruct the Clerk to withdraw said matter from consideration at that meeting.

#### **20. MOTIONS**

The order of precedence of motions shall be as follows:

1. Motion to recess
2. Raise a question of privilege
3. Lay on the table
4. Suspend the rules (two-thirds vote)
5. Previous question (two-thirds vote)
6. Limit or extend limits of debate (two-thirds vote)
7. Postpone to a certain time
8. Commit or refer
9. Amend
10. Postpone indefinitely
11. Main Motion

The following motions shall be non-debatable:

1. To adjourn
2. To recess (when privileged)
3. To raise a question of privilege
4. To lay on the table
5. To suspend the rules
6. Previous question (two-thirds vote)
7. To limit or to extend limits of debate (two-thirds vote)

The following motions only can be amended:

1. To recess
2. To postpone to a certain time
3. To commit or refer
4. To amend
5. Main motion

A motion to adjourn shall be in order at any time except upon immediate repetition.

## **21. WRITTEN PROPOSALS**

All proposed By-laws, Orders, and Resolutions shall be in writing and shall bear the name of the sponsor.  
[Adopted 9-2-98]

## **22. PERSONAL PRIVILEGE**

The right of a member to address the Council on a question of personal privilege shall be limited to cases in which his or her integrity, character, or motives are assailed, questioned, or impugned.

## **23. ORDER OF BUSINESS AND AGENDA**

At every meeting of the Council the standard order of business shall be as follows:

1. Announcements from the Chair
2. Citizen Comments
3. Approval of Minutes
4. Proclamations
5. Appointments
6. Hearings
7. License Transactions
8. Presentations/Discussions
9. Subcommittee Reports
10. Legislation for Action
11. Town Administrator's Report
12. Future Agenda Items
13. Council Comments
14. Executive Session
15. Adjourn

Only privileged motions (to adjourn; to recess; personal privilege; or orders of the day) shall be made during "Council Comments".

During "Future Agenda Items", the Council shall consider only those matters that relate to or concern potential legislation. If a "simple majority as required by charter" of the Councilors present during "Future Agenda Items" so determine, such matters will be included on a future agenda for consideration by the Council. Debate during "Future Agenda Items" shall be limited to whether the matter raised shall be included on an agenda in the future and each Councilor shall be limited to three minutes.

The above order shall not be changed except by a vote of a majority of all the members of the Council; and upon the motion to change the order, no debate shall be allowed. Additions to this order may be made by the Chair and/or Town Administrator when setting the agenda (Example: Committee Reports).

All items for the agenda, including any relevant communications and reports from the Town Administrator, other town officers and town boards, shall be submitted to the Town Administrator's office no later than 10:00 AM on Thursday preceding the regular Council meeting.

Copies of said reports and agenda shall be delivered to the Town Council members no later than Friday preceding the regular Council meeting.

The agenda will be prepared by the Town Administrator with input from and approval by the Council Chair, or, in his absence, the Vice Chair of the Council, and then prepared for presentation by the Town Administrator's office staff.

#### **24. HEARINGS**

Hearings which are authorized by the order of the Council shall have precedence and shall be followed by public presentations. In all hearings before the Council, the case of the petitioner shall be first submitted, except where the Chair of the Council rules otherwise.

Public hearing format (after petitioner's presentation):

1. General questions from public
2. Public speaking in favor
3. Public speaking in opposition
4. Questions from Town Councilors

When the Chair is satisfied that the matter has received a full hearing, the Chair shall call for a motion to close the public hearing and the Council shall act thereon. Debates on the merits of the petition shall be reserved until and if there is a motion duly made and seconded at the appropriate time and date following the hearing.

This format shall not apply during public hearings to consider the annual budget, when normal Council budget format is followed, or to any adjudicatory proceeding to address a violation of an alcoholic beverage license or violation of any local bylaw or regulation or of any condition of any license, permit, or approval.

#### **25. SUB-COMMITTEES OF COUNCIL**

Sub-committees shall be authorized by majority vote of the Council. Appointments to sub-committees of the Council are made by the Chair in consultation with the Town Administrator. Appointed individuals shall receive notification of their appointment from the Chair prior to the public announcement of the makeup of the committee. Notice and conduct of all sub-committee meetings must adhere to MGL Ch. 30A, Sections 18-25 (Open Meeting Law).

#### **26. AD HOC COMMITTEES**

Ad Hoc Committees may be established, as needed, by majority vote of the Council. The members of any ad hoc committee shall be appointed by the Chair in consultation with the Town Administrator. The Council shall dissolve any ad hoc committee, by majority vote, when the Council determines that its mission or purpose has been completed.

#### **27. COMMITTEE MEETINGS AND QUORUM**

A committee shall meet on the call of the Committee Chair or a majority of its members. A majority of the members of a committee shall constitute a quorum.

## **28. SUB-COMMITTEE REPORTS**

The Chair of the Council, upon receipt of the Sub-committee Report, shall call for the vote on the motion, petition, or order as introduced by the Sub-committee, so that the vote would be on that motion, petition, or order, and not on the Sub-committee Report itself.

When debate centers around Sub-committee Reports, Sub-committee members may be recognized beyond the time limit to answer questions.

Documents referred to in Sub-committee shall be returned with the report.

Nothing in this rule shall be construed to prohibit the introduction of minority reports.

## **29. RELIEVING FROM FURTHER CONSIDERATION**

Upon motion, the Council may, by a majority vote of all members of the Council, relieve a Sub-committee of further consideration of a matter referred to it and order the same placed on the agenda.

## **30. MOTIONS FOR RECONSIDERATION**

After a motion has been passed or defeated, any member voting with the prevailing side may move for reconsideration, which shall be open to debate. A motion to reconsider a vote shall be in order at the same or the regular meeting next succeeding that at which the vote was passed, provided a motion "to reconsider and enter into the minutes" is made at the meeting at which the vote was taken. No more than one motion for reconsideration of any vote shall be entertained. In the case of a question decided by a tie vote, the prevailing side shall be considered to be the one in whose favor the question was decided.

## **31. DEBATE DECORUM**

Every member when about to speak shall address the Chair and wait until recognized by the Chair. No member shall be recognized if not seated. In speaking, the member shall be confined to the question, shall not use unbecoming, abusive, or unparliamentary language, and shall avoid personalities. Any member who, in debate, Council related correspondence or otherwise, indulges in personalities or makes charges reflecting upon the character of another member, or of citizens, shall make an apology in open session at the meeting at which the offense is committed or at the next succeeding regular meeting and, failing to do so, shall be named by the Chair or held in contempt and suspended from further participation in debate until said apology is made.

## **32. DEBATE LIMITATION**

No member shall speak more than once on a question when another member who has not spoken claims the floor, and no member speaking shall, without his consent, be interrupted by another, except on a point of order. A member may speak upon a matter for no more than three (3) minutes at a time. A councilor may yield all or part of his or her time to another councilor. A member who has not spoken on a matter shall have priority and recognition by the Chair.

The Clerk of the Council shall inform the Chair whenever a member has spoken longer than three minutes.

## **33. CONFLICTS OF INTEREST**

G.L. Ch. 268A, the conflict of interest statute provides that no member shall participate in any matters, or serve on any committee, where the member's individual or immediate family interest will conflict with the public's interest in a way that is violative of the statute; for further details of legal requirements, refer directly to statute.

### **34. OPEN MEETING LAW**

G.L. Ch. 30A, Sections 18-25, the Open Meeting Law, provides that deliberations, including meetings, of a public body, shall take place in public, unless the matter to be discussed falls within one of the statutory exceptions which permits the public body to meet in executive session; for further details of legal requirements, refer directly to statute and Attorney General's Regulations.

By statute, any votes taken in Executive Session must be by roll call.

### **35. SPECTATOR DECORUM**

Guests will be allowed in the gallery of the Council chamber when the Council is in session. No demonstrations of approval or disapproval from guests shall be permitted, and if such demonstrations are made, the gallery may be cleared by the Chair.

### **36. REMOTE PARTICIPATION POLICY**

Per Attorney General's Regulations, remote participation is based upon the Chair's determination that requesting member's physical attendance would be unreasonably difficult.

Remote participation shall:

1. Be limited to one member per meeting, on a first come first serve basis;
2. Require an eight (8) hour notice be given to the Chair and Town Administrator's Office;
3. Be limited to use in the Council Chambers;
4. Shall not be allowed by subcommittees;
5. Shall not be allowed during executive sessions.

If technical problems interrupt the call, the chair will wait up to three minutes to allow for the reconnection prior to resuming the meeting. If the member is disconnected, the fact and time shall be noted in the minutes. If the party reconnects, the fact and time shall be noted in the minutes.

### **37. AMENDMENT AND REPEAL**

None of the foregoing rules and orders shall be amended or repealed at any meeting unless a simple majority of those members present and voting consent thereto and a motion for that purpose shall not be made and acted upon at the same meeting.

The attached Bylaw requests a \$4.00 per year increase in the Solid Waste Fee for FY19. The fee increase is only for the large 65 gallon totters.

Even with the increase we will need to use about \$140,000 from the solid waste enterprise fund to offset the proposed budget. The increase is needed to help offset rising costs and to avoid a steep rate increase in the future. Please see attached a history of the fee.

I am happy to answer any questions you may have.

---

The Department of Planning and Community Development (DPCD) and other Town staff are working to amend the Town's existing Zoning Map (Chapter 185, Section 5, of Franklin Town Code) in an area on and near Edwards, Raymond, and Beaver Streets. The reasons for the proposed Zoning Map changes are twofold:

- Several residential properties on Edwards and Raymond Streets are within the Commercial II Zoning District; the subject Zoning Map Amendment will rezone these parcels to the Single Family Residential IV Zoning District.
- Town staff are undergoing a project to better define the Town's zoning districts by following parcel lines. Where parcels are within two or more zoning districts the subject Zoning Map Amendment will move the Zoning District line so each parcel is only in one zoning district, in most cases based on the current land use.

The Economic Development Committee discussed the proposed zoning map changes at their April 11, 2018 meeting, and voted to send the zoning map amendment to Town Council for further consideration. If Town Council supports the proposed zoning map amendment, DPCD recommends they refer Zoning By-law Amendment 18-802 to the Planning Board for a Public Hearing.

Attached are the following:

- A list of parcels proposed for rezoning;
- Zoning By-law Amendment 18-802: Zoning Map Changes from Commercial II or Rural Residential II and Single Family Residential IV, to Rural Residential II or Single Family Residential IV, in an area on or near Edwards, Raymond and Beaver Streets; and
- A diagram with two maps: one showing the current zoning in the area, and one showing proposed Zoning Map changes.

Please let me know if you have questions or require additional information.

The Department of Planning and Community Development (DPCD) and other Town staff are working to amend the Town's existing Zoning Map (Chapter 185, Section 5, of Franklin Town Code) in an area on and near Fisher, Hayward and McCarthy Streets. The reasons for the proposed Zoning Map changes are as follows:

- Town staff are undergoing a project to better define the Town's zoning districts by following parcel lines. Where parcels are within two or more zoning districts the subject Zoning Map Amendment will move the Zoning District line so each parcel is only in one zoning district, in most cases based on the current land use.
- Several residential properties are within the Industrial Zoning District; the subject Zoning Map Amendment will rezone these parcels to the Single Family Residential IV Zoning District.

The Economic Development Committee discussed the proposed zoning map changes at their April 11, 2018 meeting, and voted to send the zoning map amendment to Town Council for further consideration. If Town Council supports the proposed zoning map amendment, DPCD recommends they refer Zoning By-law Amendment 18-803 to the Planning Board for a Public Hearing.

Attached are the following:

- A list of parcels proposed for rezoning;
- Zoning By-law Amendment 18-803: Zoning Map Changes from Industrial or Industrial and Single Family Residential IV, to Single Family Residential IV or Industrial, in an area on or near Fisher, Hayward and McCarthy Streets; and
- A diagram with two maps: one showing the current zoning in the area, and one showing proposed Zoning Map changes.

The Department of Planning and Community Development (DPCD) is working to amend the Town's existing Zoning Map (Chapter 185, Section 5, of Franklin Town Code) in an area on and near Washington, Arlington, and James Streets. This proposed Zoning Map change is a small part of a Town Wide project being implemented by DPCD and other Town staff.

The project will better define the Town's zoning districts by following parcel lines. Where parcels are within two or more zoning districts the subject Zoning Map Amendment will move the Zoning District line so each parcel is only in one zoning district.

The Economic Development Committee discussed the proposed zoning map changes at their April 11, 2018 meeting, and voted to send the zoning map amendment to Town Council for further consideration. If Town Council supports the proposed zoning map amendment, DPCD recommends they refer Zoning By-law Amendment 18-804 to the Planning Board for a Public Hearing.

Attached are the following:

- A list of parcels proposed for rezoning;
- Zoning By-law Amendment 18-804: Zoning Map Changes from Single Family Residential III and Single Family Residential IV, to Single Family Residential III or Single Family Residential IV, in an area on or near Washington, Arlington and James Streets; and
- A diagram with two maps: one showing the current zoning in the area, and one showing proposed Zoning Map changes.

Please let me know if you have questions or require additional information.

Over the last several years Zoning Bylaw amendments related to the Commercial I (CI) Zoning District have been proposed several times, including while developing the Town's Master Plan. The proposed Zoning Bylaw amendments fall into three categories:

- Parking Requirements;
- Parcel Dimensional Regulations; and
- Density of Residential Development.

The Department of Planning and Community Development (DPCD) recently developed a zoning bylaw amendment (Zoning Bylaw Amendment 18-805) related to the parking requirements within the CI district, which is the purpose of this memo. Later in the calendar year additional Zoning Bylaw amendments related to parcel dimensional regulations and the density of housing units allowed within the CI District will be developed.

Changes to parking requirements within the Commercial I Zoning District have been discussed since 2010 when much of the CI district was rezoned to a new Downtown Commercial Zoning District. The issue was put aside at that time so it could be addressed during the Master Plan development process. Land Use Objective 3.3 from the Implementation section of Franklin's 2013 Master Plan addresses the issue, and is shown below for reference.

Land Use Objective 3.3: Amend the Town's Zoning Bylaw to require sufficient parking in the Commercial I zoning district.

Currently the Commercial I Zoning District is exempt from the Town's parking regulations outlined in Section 185-21 of the Town's Zoning Bylaw, which means there are no parking requirements in the Commercial I Zoning District for any use. In addition, off-road parking spaces are only required for residential uses in the Downtown Commercial District.

The Zoning Bylaw states the intent of Section 185-21 as: "that adequate off-street parking must be provided within a reasonable distance to service all parking demands created by new construction, whether through new structures or through additions to existing ones, or by change of use creating higher parking demand".

DPCD believes off-road parking should be required for the CI Zoning District, and at least some off-road parking should be required for all uses in the Downtown Commercial District, not only residential.

DPCD has developed Zoning Bylaw Amendment 18-805, which if approved would do the following:

- Require 1.5 parking spaces per housing unit within the Commercial I Zoning District, which is the same as currently required within the Downtown Commercial Zoning District.
- Require 1 parking space per 500 square feet of gross floor area of non-residential development within the Commercial I Zoning District and the Downtown Commercial Zoning District.
  - Note: 1 parking space per 500 square feet is fifty percent or less than other zoning districts.
- Makes minor changes to the wording in 185-21 to improve readability and clarify requirements.

The Economic Development Committee discussed the proposed parking regulations changes at their April 11, 2018 meeting, and voted to send the Zoning Bylaw Amendment to Town Council for further consideration. If Town Council supports the proposed zoning bylaw amendment, DPCD recommends they refer Zoning By-law Amendment 18-805 to the Planning Board for a Public Hearing.

Attached are the following:

- Diagram showing the location of the Commercial I Zoning District;
- Zoning Bylaw Amendment 18-805, which if approved would add parking requirements to the Commercial I Zoning District, and add non-residential parking requirements in the Downtown Commercial Zoning District.

**§ 170-29 Traffic control signals; prohibited right on red.**

Colors and arrow indications in traffic control signals shall have the commands ascribed to them in this section, and no other meanings, and every driver of a vehicle, railway car or other conveyance shall comply therewith, except when otherwise directed by an officer or by a lawful traffic-regulating sign (other than a stop sign), signal or device. In no case shall a driver enter or proceed through an intersection without due regard to the safety of other persons within the intersection, regardless of what indications may be given by traffic control signals.

- A. Green: While the green lens is illuminated, drivers facing such signal may proceed through the intersection, but shall yield the right-of-way to pedestrians and vehicles lawfully within a crosswalk or intersection at the same time such signal was exhibited. Drivers making a right or left turn shall yield the right-of-way to pedestrians crossing with the flow of traffic.
- B. Right, left and vertical green arrows: When a right green arrow is illuminated, drivers facing the said signal may turn right. When a left green arrow is illuminated, drivers facing the said signal may turn left. When a vertical green arrow is illuminated, drivers facing said signal may go straight ahead. When a green arrow is exhibited together with a red or yellow lens, drivers may enter the

intersection to make the movement permitted by the arrow but shall yield the right-of-way to vehicles and pedestrians proceeding from another direction on a green indication.

- C. Yellow: While the yellow lens is illuminated, waiting drivers shall not proceed, and any other drivers approaching the intersection or marked stop line shall stop at such point unless so close to the intersection that a stop cannot be made in safety; provided, however, that if a green arrow is illuminated at the same time, drivers may enter the intersection to make the movement permitted by such arrow.
- D. Red:
  - (1) Traffic facing a steady circular red signal alone shall stop at a clearly marked stop line or, if none, before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until an indication to proceed is shown, except as allowed by MGL c. 89, § 8.
  - (2) No driver of a vehicle facing a circular red signal indication shall make a right turn where official traffic signs are installed and maintained prohibiting such turn at the following intersections:

- E. Flashing red: When a red lens is illuminated in a traffic control signal by rapid intermittent flashes and its use has been specifically authorized by the Department of Public Works of the Commonwealth of Massachusetts, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a stop line when marked, and the right to proceed shall then be governed by the provisions of MGL c. 89, § 8.
- F. Flashing yellow: When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or pass such signal with caution.
