Dear Applicant:

Please be advised that at its meeting on Tuesday, October 25, 2022 the Design Review Commission, upon motion duly made and seconded, voted: **4-0-0 to Approve** the Function Room sign panel as submitted with the note that, as with the first sign package, the background has to be opaque or blacked out.

This decision is subject to applicant obtaining a building permit prior to erecting approved plans, as well as all other Board approvals or permits as are required.

If you have any questions concerning this determination, please contact me through the Department of Community Planning at (508) 520-4907.

Sincerely,

*James Bartro*
