Book Journal

Curated By:

Welcome to your very own Book Journal! Here you can keep track of all the books you read in the coming year!

On the next page, you will find guidelines on how best to use your journal. Of course, you can also choose to make up your own method of tracking your reads!

Happy Reading!

Table of Contents

Book Tracker.....5

Keep track of ALL the books you read this year! Track of the titles, authors, and when you read each book. You can also rate each book on a scale of 1-to-5 Stars!

Use these ratings to have the books "compete" in the Battle of the Books section! You can also color-code your Star ratings when adding your books to the Monthly Book Shelves! For example, whenever you add a 1-Star book to your shelf color it in Red and when adding a 5-Star book color it in Gold (or Yellow)!

Monthly Book Shelves.....21

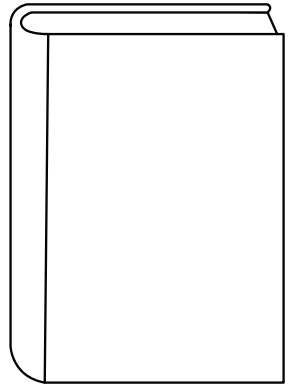

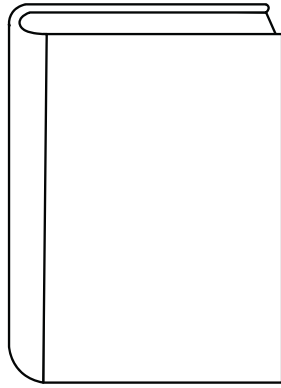

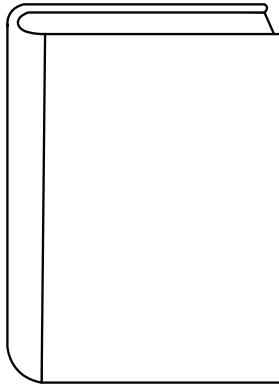

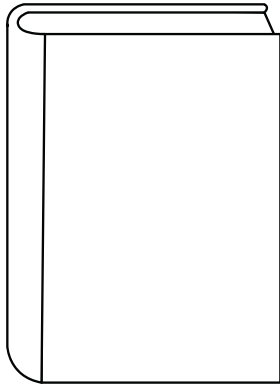

Set a goal each month for how many books you want to read. When you finish a book add it to that month's bookshelf.

Battle of the Books.....33

At the end of each month take your favorite or top rated book from that month and add it to the bracket. The top books from each month will go head-to-head in a March Madness style challenge until only 1 book remains! A fun way to determine your favorite book of the year!

Thoughts and More.....34

A place for your mind to wander! Jot down notes, reflections, doodles, the possibilities are endless!
