Directions:

Your kit comes with the supplies to make 3 magnets: a Mickey Mouse, a Minnie Mouse, and a Donald Duck!

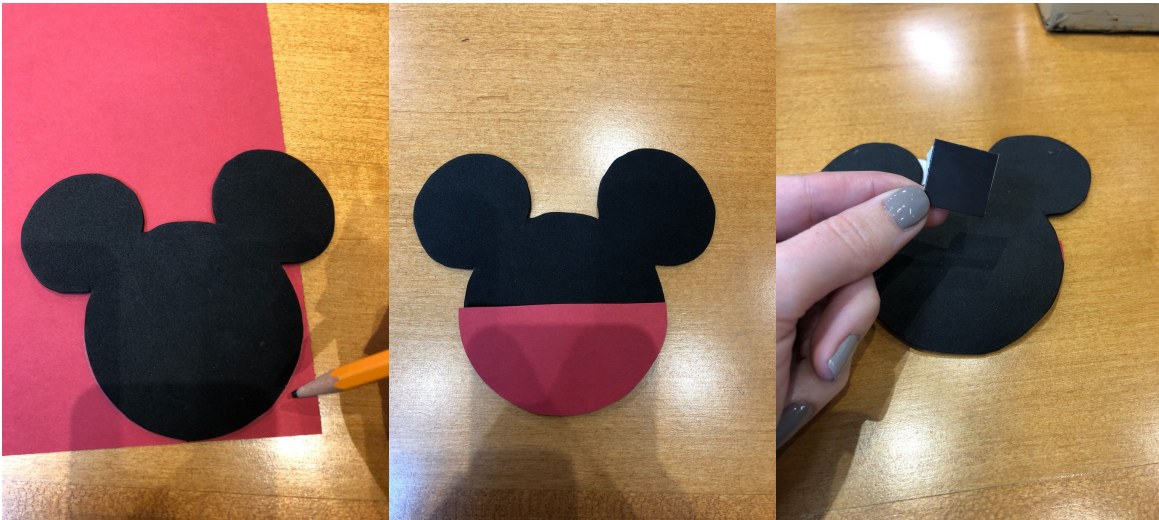

FOR A MICKEY MOUSE MAGNET:

- Start with your black foam Mickey head and use it to trace a semi-circle on the red construction paper.
- Cut out the semi circle and glue it onto the foam piece.
- Add a self-adhesive magnet to the back of the foam piece.
- Finally, glue the 2 yellow pom-poms onto the red construction paper for Mickey's buttons.

FOR A MINNIE MOUSE MAGNET:

- Start with your black foam Mickey head and use it to trace a semi-circle on the red construction paper.
- Cut out the semi circle and glue it onto the foam piece.
- Add a self-adhesive magnet to the back of the foam piece.
- Glue the white dots onto the red construction paper to create the polka dots on Minnie's dress.
- Cut and color the hair bow and glue it between the ears.

FOR A DONALD DUCK MAGNET:

- Start with your white foam Mickey head and use it to trace a semi-circle on the blue construction paper.
- Cut out the semi circle and glue it onto the foam piece.
- Add a self-adhesive magnet to the back of the foam piece.
- Glue the yellow pipe cleaner in a V-shape onto the blue construction paper.
- Cut and color the bow-tie and glue it onto the point of the pipe cleaner.
- Finally, cut and color Donald's hat and glue it between the ears.
