NOTICE OF PUBLIC HEARING AND REQUEST FOR COMMENTS

D.P.U. 16-57

July 8, 2016

Petition of the Town of Franklin for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c. 164, §134.

On June 1, 2016, the Town of Franklin ("Town") filed a request with the Department of Public Utilities ("Department") for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program. Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the municipal aggregation program unless they chose to "opt-out," in which case they would continue to receive basic service provided by their electric distribution company, Massachusetts Electric Company d/b/a National Grid. The Department docketed this petition as D.P.U. 16-57.

The Town has retained Colonial Power Group, Inc. ("Colonial") to serve as its agent in this proceeding and to assist in the implementation of the municipal aggregation program. The Town's filing includes a form electric service agreement which will be negotiated with potential competitive electric supplier(s). The Town seeks a waiver, on behalf of the competitive electric supplier(s) chosen for the municipal aggregation program, of certain information disclosure requirements contained in G.L. c. 164, § 1F(6) and 220 C.M.R. § 11.06(4)(c).
