## REGISTRATION

Walk-in & Online registration for selected Winter Programs will begin on Monday, February 5 at 8:30am. For online registration, please visit our website [www.franklinma.gov/recreation-department](http://www.franklinma.gov/recreation-department) and choose the "online registration" tab. To register in person, our address is 275 Beaver Street.

## PROGRAM/COURSE CONFIRMATION

We do not send registration confirmations. Please understand that it is your responsibility to know the date, time, and location of any program. A participant is registered only when payment is received.

All programs are offered on a first come, first serve basis. Franklin Recreation reserves the right to cancel or consolidate a program that does not meet the minimum participant registration numbers. Remember, nothing terminates a program faster than waiting until the last minute to register. Sign up early to avoid disappointment.

We primarily communicate through email for program changes and updates. Please be sure to check emails you receive from us.

## REFUND POLICY

Refunds are only issued in the event of a cancelled program or if there is a medical emergency with a doctor's note. Every attempt will be made to reschedule a class that has been cancelled for inclement weather, instructor absence or holiday. We are not responsible for making up classes that are missed due to the participants inability to attend. Refunds are not given for lack of attendance.

## PARTICIPANT PHOTOGRAPHY POLICY

Photographs may be taken of participants and sent to newspapers or posted on Franklin Recreation's Facebook and Instagram for publicity purposes. SMILE for the camera! ***If you do not want your child's photograph publicized***, please notify the instructor or office prior to the start of the program.

## INCLEMENT WEATHER

Every attempt will be made to reschedule a class that has been cancelled for inclement weather. When the Franklin School Department cancels school because of emergencies or weather conditions, all Recreation Department programming will be cancelled for the entire day. If a storm develops later in the day, please call the office (508) 613-1666 or visit our website at [www.franklinma.gov](http://www.franklinma.gov).

## INABILITY TO PAY

The Recreation Department has established a [Program Assistance Fund](#) for all Recreation programs and Franklin Youth Sports programs offered through the Town of Franklin. The Program Assistance Fund was established with the understanding that there are residents who cannot afford the registration fee and are therefore unable to participate. The sole purpose of this fund is to find ways to give every child and family the opportunity to participate in recreation activities while providing a mechanism for equitable treatment and optimal accommodation for resident families in need. Household income will be used to determine need.

## WAIT LISTS

If you are interested in a program that is full, please call to be on the wait list or register on-line if a waitlist is available. If there is a cancellation, people on the wait list will be the first to be notified.

## BEAVER POND FACILITY IMPROVEMENT UPDATE

The scoreboard at Beaver was installed December 2023 and will be ready for use this Spring! The kayak kiosk at Chilson Beach is projected to be installed March 2024. The cement was poured in place December 2023.

## FLETCHER PLAYGROUND IMPROVEMENT

This spring, the Recreation Department will be replacing the front playground structure at Fletcher Field. The theme of this playground is baseball, as this is our home to Franklin Youth Baseball and our Pee Wee Baseball program. This 1,900 square foot play structure will be geared towards 5-12 year old children and will feature an ADA compliant poured in place rubber surface in the design of a baseball infield. The structure will have a ramped entrance making it easier for children with mobility challenges. There will be several baseball themed interactive panels. What's unique about this playground is that we have a 24' high enclosed nucleus core climber and a viper spiral slide that will be sure to excite the children. Expected completion is May 24, 2024.

## 2022 Leader in Training Internship Program (LIT)

### **Leader in Training Internship Program- What is it?**

This program is an opportunity to spend a summer with our highly trained and enthusiastic staff. Candidates will develop self-awareness, build conflict resolution skills, and identify and address personal challenges. This does not guarantee a counselor position in future summers; however it does offer an opportunity to show off your skills and desire to be in the running for a counselor position post LIT Internship Program.

### **How do I go about becoming an LIT?**

All interested candidates must participate in an interview process with the Director of Recreation and the Camp Director. We will call to schedule your interview in early April.

### **Who are we looking for?**

We are looking for candidates ages 15 -16 years old who are motivated, creative, independent, and especially enthusiastic about our summer camp. We prefer candidates who can devote their entire summer. However, vacations will be taken into consideration.

### **What is expected of you?**

After a candidate is accepted into the program, camp attendance is required Monday through Friday, 8:00am-3:30pm. We require attendance all eight (8) weeks unless vacations are specified ahead of time with the camp director.

Candidates will also be expected to attend First Aid and CPR training held by the Recreation Department prior to the start of camp. We want candidates to feel they are part of our camp staff.

### **Fee and other information:**

There is a one time \$100.00 fee which covers all eight (8) weeks of camp, CPR and First Aid training, t-shirt, pizza Friday's, certain field trips, and all of the wonderful experiences you will gain in our internship program.

If you are interested, please call the Recreation Department to set up an interview. The interviews will be conducted through the end of April. All qualified candidates will be notified of their acceptance by the end of May.
