Hi Mr. Brown,

I live at 109 Jefferson Road and unfortunately won't be attend the 11/9 meeting but I wanted to clearly state my opposition to the ADU request at 72 Jefferson Road. Our neighborhood is a beautiful one-family development in Franklin with children playing and folks walking their dogs. The beauty of our neighborhood is the how the homes were constructed and how the development was designed - it was designed for a single family dwelling not a multi-family homes. In addition to an ADU being out of place in this development and an eyesoar, I'm concerned that it could impact the value of our properties. When you have multi-family homes with in some cases non-family members living there, you take away from the family feel we have now.

**As a resident of Franklin and a nearby neighbor - I reject the proposed ADU for 72 Jefferson Road because it just doesn't fit into the fabric of this neighborhood.**

Thank you for hearing my opinions and thoughts and I hope this helps in the 11/9 discussion.

Thanks.
