LEVINE, ESQ.**

Rieko:

Below is email dated September 20, 2022, from Jennifer Wierl confirming that cost certification obligation from MassHousing has been satisfied and, therefore, the applicant has been removed from the suspension list. Ms. Wierl's email indicates that DHCD has been notified of the foregoing.

In furtherance of your email of May 5, 2022, it is, therefore, respectfully requested that DHCD unconditionally approve transfer of the comprehensive permit for Franklin Heights, Franklin, Massachusetts, to D. Bruce Wheeler, Trustee of Oliver Crossing Realty Trust before the Franklin Zoning Board of Appeals meeting next Thursday, October 6, 2022.

Thank you very much.
